the steel tongue drum and the handpan are percussion musical instruments designed to help you focus on your feelings sensations and body no previous training or skills are necessary to enjoy these fascinating instruments playing drums can relieve stress and disappointment because most tongue drums include and are tuned to involve the notes of the main octave all songs from this book are possible to play in one octave if you have less than one octave of keys on your drum you may need to skip some songs if you have more than 8 keys for example an 11 or 15 note handpan this book would be a great start to your drum experience yet each tongue drum is very different and it is impossible to accommodate songs for all kinds of tongue drums in one music book this songbook was written to help the absolute beginner whether child or adult learn to play in a simple and easy way that requires no knowledge of reading music if you are a beginner playing by note can be difficult it is easier to follow number coded circles with note numbers in africa singing always involves dancing so the emphasis is placed more firmly on rhythms than on melody or harmony due to their clear rhythmic patterns african songs are an ideal material for any musician its main task is not to be reproduced but to get everyone involved since music by definition is the expression of emotional states with the help of sounds of a certain frequency and rhythm an indication of the country of origin of the song in this tongue drum meditation music book is an approximation because many traditional cultures cross current national borders the language in which the song is sung is more important and it can be used in various countries most songs have been simplified for adult beginners since african music assumes improvisation and variation we recommend using this sheet music only as a guide the most important thing is to listen and repeat the recordings linked to the qr code

## *70 Simple Songs for the 8-Note Tongue Drum. Without Musical Notes*

2016-09-28

we call this series i don t read music since we are targeting beginners of all ages children teens parents grandparents folk music traditionally is not learned from sheet music or notes instead it is learned by repetition and from being passed from generation to generation we believe in this method of teaching which is easier and more enjoyable all 70 songs in this book have been written without using the classic music score system because it is for absolute beginner who can not read sheet music this book is aimed for those who want to add popular melodies to their experimentation we use circles with numbers because most modern tongue drums have numbers engraved or painted on their keys we do not show the note duration you can experiment with a duration on your own we recommend finding each of these songs on youtube and listening to the rhythm before beginning to play our sheet music is only a guide the most important thing is to listen and repeat the recordings all songs from this book are possible to play in one octave these songs are suitable for a diatonic 8 note tongue drum which should have numbers 1 2 3 4 5 6 7 and 1 of the next octave please note if you have a model of the tongue drum with 5 tongues or if some keys from the octave are missing you will not be able to play all of the songs in this book the songbook includes very simple popular children s and folk songs but even well known children s songs played on the tong drum will create an unusual magical sound table of contents part 1 a hunting we will go acka backa bell horses bobby shafto doggie doggie frog in the meadow hot cross buns london bridge long legged sailor mary had a little lamb miss mary mack ninety nine bottles old bald eagle one two three four rain rain go away ring around the rosie rub a dub dub see saw margery daw ten in the bed the wheels on the bus part 2 alphabet song a sailor went to sea are you sleeping baa baa black sheep baby bumble bee cobbler mend my shoe cotton eyed joe ding dong diggidigdong do you know the muffin man doctor foster five little ducks five little monkeys happy birthday humpty dumpty i like to eat apples and bananas i love little kitty it s raining jack and jill jingle bells la cucaracha lavender s blue little jack horner michael row the boat ashore my hat oh we can play on the big bass drum old blue old mcdonald old mother hubbard row row your boat the backer the beep and the pup the mulberry bush this old man twinkle

## Ultimate Easy Tongue Drum Guide

playing traditional music notes is difficult for people who have no musical knowledge you need to know the rhythmic value of each note its place on the staff note duration and combination with other notes to be aware of all this simultaneously demands music experience and advanced skills nevertheless even if you have never studied music you can begin to play complicated melodies and also experiment with your tongue drum in a meditative way the steel tongue drum aka tong drum tank drum gluck o phone hapi drum mandala or lotus drum and the handpan aka hank drum ufo drum zen drum are percussion musical instruments designed to help you focus on your feelings sensations and body you don t need classical music training or

knowledge of music theory to play them we collect very simple and well known songs and melodies with easy rhythms you can begin to play in just two steps first you will play using circles that contain either a number without having to consider note duration key or time signatures these numbers correspond to those on the keys of your tongue drum so you just need to follow the numbers you can get an idea of how the song might be played by listening to the youtube clip of the same song which you can access with the qr code below each song then if you find that you can play the song with more confidence you can try using the second page of the same song with the actual notes there the same melody is written in a traditional manner with all the necessary musical symbols however we simplified the melodies in this step as well transposing the most songs for one octave leaving the numbers under the notes we hope that playing these simple melodies will bring you a new relaxation and meditation experience filled with a lot of joy contents alphabet song bobby shafto cobbler mend my shoe chumbara ding dong diggidiggidong five little monkeys humpty dumpty i love little kitty jack and jill my hat old mother hubbard rain rain go away the big sheep this old man ten in the bed
