the definitive word on star wars fiction the legendary motion picture star wars has spawned two big screen sequels and three prequels and decades of bestselling fiction from the original movie tie in novel through the monumental fate of the jedi series legions of devoted readers have helped expand science fiction s most celebrated film saga into a page turning print sensation now for the first time a comprehensive overview of these sweeping star wars adventures is presented in one beautifully illustrated volume star wars the

essential reader's companion spans the entire galaxy of published Star Wars fiction: movie novelizations, original stand-alone and series novels, short stories, ebook novellas, young adult titles, and comics. It features a concise synopsis of each story, including key characters and planets, exclusive behind-the-scenes facts and anecdotes about authors, plot, and character development, continuity notes, and significance in the Star Wars Expanded Universe. Details on which novels are linked to Star Wars comic books from Dark Horse and Marvel. A chronological listing of titles spanning the 25,000-year history of the Star Wars universe and placing each story in its proper context. More than one hundred original paintings throughout by some of fans' favorite artists. Whether skimming through fateful eras from the Old Republic to the New Jedi Order, delving deep into the ancient history of the Lost Tribe of the Sith, or the tumultuous Clone Wars, crossing paths and lightsabers with Dark Lords such as Plagueis or Bane, Sidious, or Vader, helping the Millennium Falcon with Han Solo, or mastering the Force with Luke Skywalker, this one-of-a-kind one
