

Download free The sermon on the mount an exposition of the fifth sixth and seventh chapters of matthew with notes or glosses on st matthews gospel Full PDF

from ancient times the gospel of matthew has been regarded as the church gospel its aims are preeminently catechetical pastoral and missionary but recent research raises many questions regarding matthew s creation theological intentions and shaping for the circle of its first recipients this highly original commentary by rudolf schnackenburg follows matthew chapter by chapter and verse by verse carefully explaining and interpreting the text against both its primitive and current horizons schnackenburg sees matthew s purpose as simply the proclamation of christian salvation his commentary gives extra attention to the great discourses of jesus found in matthew such as the sermon on the mount showing how jesus words and works have special currency for the self understanding of the church and for the task of christian living today written by a master exegete with a pastor s sensitivity this commentary will fast become a classic study of matthew s gospel this study is an overview of the life and ministry of jesus including the sermon on the mount and his teachings on the kingdom of god x sessions john phillips writes with enthusiasm and clarity cutting through the confusion and heretical dangers associated with bible interpretation moody magazine the new testament book of matthew with greek english transliteration and english translation in 3 line segments perfect for beginner intermediate and advanced level greek language study includes a key to greek vowels and letter pronunciation invites readers to enter the narrative world and the historical context of matthew s gospel this extremely rare work by william tyndale is now back in print a masterly commentary from an early reformer this work has never to our knowledge been printed as a separate title since tyndale published it and has only been in print a handful of times since then and only as part of collected works editions tyndale was the first to translate the bible into english and all subsequent english translations of the bible owe tyndale an inestimable depth of gratitude for the dangerous labor of love he undertook to give the bible to the english people and thus the whole world from tyndale s prologue here hast thou dear reader an exposition upon the fifth sixth and seventh chapters of matthew wherein christ our spiritual isaac diggeth again the wells of abraham which wells the scribes and pharisees those wicked and spiteful philistines had stopped and filled up with the earth of their false expositions he openeth the kingdom of heaven which they had shut up that other men should not enter as they themselves had no lust to go in he restoreth the key of knowledge which they had taken away and broken the wards with wresting the text contrary to his due and natural course with their false glosses he plucketh away from the face of moses the veil which the scribes and pharisees had spread thereon that no man might perceive the brightness of his countenance he weedeth out the thorns and bushes of their pharisaical glosses wherewith they had stopped up the narrow way and strait gate that few could find them read here the words of christ with this exposition following and thou shalt see the law faith and works restored each to his right use and true meaning and thereto the clear difference between the spiritual regiment and the temporal and shalt have an entrance and open way into the rest of all the scripture wherein and in all other things the spirit of verity guide thee and thine understanding so be it in what sense does matthew s gospel reflect the colonial situation in which the community found itself after the fall of jerusalem and the subsequent humiliation of jews across the roman empire to what extent was matthew seeking to oppose rome s claims to authority and sovereignty over the whole world to set up alternative systems of

power and society to forge new senses of identity if matthew s community felt itself to be living on the margins of society where did it see the centre as lying in judaism or in rome and how did matthew s approach to such problems compare with that of jews who were not followers of jesus christ and with that of others jews and gentiles who were followers this is volume 276 in the journal for the study of the new testament supplement series and is also part of the early christianity in context series having devoted the past ten years of his life to research for this major new work john nolland gives us a commentary on the gospel of matthew that engages with a notable range of matthean scholarship and offers fresh interpretations of the dominant gospel in the history of the church without neglecting the gospel s sources or historical background nolland places his central focus on the content and method of matthew s story his work explores matthew s narrative technique and the inner logic of the unfolding text giving full weight to the jewish character of the book and its differences from mark s presentation of parallel material while finding it unlikely that the apostle matthew himself composed the book nolland does argue that matthew s gospel reflects the historical ministry of jesus with considerable accuracy and he brings to the table new evidence for an early date of composition including accurate translations based on the latest greek text detailed verse by verse comments thorough bibliographies for each section and an array of insightful critical approaches nolland s gospel of matthew will stimulate students preachers and scholars seeking to understand more fully matthew s presentation of the gospel narrative this translation of the gospel of matthew with accompanying notes sheds new light on the teachings of jesus and the formation of the early christian church a must read for scholars and curious readers alike this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant this is another volume in the series of bible commentaries of matthew henry in this volume the entire text of the gospel of matthew is commented with notes of each chapter this commentary will help you better understand the god s word churches theological seminaries and bible schools will find an excellent aid in this biblical commentary on the gospel of matthew the original audience for the gospel of matthew included converts from judaism who wrestled with how to be faithful to jesus christ under difficult circumstances in a changing world the gospel of matthew became a first aid manual for this church in the midst of a struggle thomas long identifies this first audience and its faith within the social and religious context of the day and clarifies the structure of the gospel providing examples of contemporary relevance long helps today s reader discern the significance of this guide for faithful living in today s church books in the westminster bible companion series assist laity in their study of the bible as a guide to christian faith and practice each volume explains the biblical book in its original historical context and explores its significance for faithful living today these books are ideal for individual study and for bible study classes and groups the texts contexts series gathers scholarly voices from diverse contexts and social locations to bring new or unfamiliar facets of biblical texts to light matthew sheds new light from new perspectives on themes in the gospel including community land labor and empire children parents and families health and disabilities and border crossings the authors challenge us to consider how we deal with cultural distances between ourselves and these ancient writings and between one another in the contemporary world margaret davies takes up the insights of reader response criticism to explore how the conventions and strategies of the gospel of matthew draw the reader into the world that the text

creates there is a recognition also of the text's significance as authoritative scripture for modern Christians and the bias that this gives to any interpretative strategy. This commentary on Matthew offers a unique interpretive approach that focuses on the socio-historical context of the Gospel and the nature of Matthew's exhortation to his first-century Christian audience by merging a careful study of Matthew's Gospel in relation to the social context of the ancient Mediterranean world with a detailed look at what we know of first-century Jewish-Christian relations. Craig Keener uncovers significant insights into the Gospel not found in any other Matthew commentary. In addition, Keener's commentary is a useful discipleship manual for the church. His approach recaptures the full shock effect of Jesus' teachings in their original context and allows Matthew to make his point with greater narrative artistry. Keener also brings home the total impact of Matthew's message, including its clear portrait of Jesus and its call for discipleship both to the Gospel's ancient readers and to believers today. Thoroughly researched, the book includes a 150-page bibliography of secondary sources and more than 150 pages of indexes. *Walk with St. Matthew*, one of Jesus' apostles, includes over 120 faith-filled commentaries covering every passage in the Gospel of Matthew, written from an inspirational standpoint. This book provides an easy-to-read approach to understanding Jesus' teaching through the eyes of St. Matthew. Drawing from solid Catholic scholarship, these devotional commentaries, edited by Leo Zanchetti, take a practical look at the books of the New Testament, inspiring readers to grow in their love for Christ. Each easy-to-read commentary contains the entire passage of scripture from a particular book of the New Testament, broken into short segments followed by a faith-filled meditation that helps readers understand the importance of the particular passage in their lives today. Historical background, relevance, and insight into church teaching are all combined with guidance in prayer in a way that makes scripture come alive. Drawing on great church teachers through the centuries and on the classical Christian creeds and confessions, this book asks both what Matthew's Gospel said to its first hearers and what it says to readers today. It shows how the focus of Matthew shifts from Jesus' teaching about who he is to teaching mainly about what his church is. Stanford Rives seeks to provide the best approximation of the original Gospel of Matthew based upon Hebrew sources. There is no disputing that Matthew wrote his Gospel in Hebrew in about 400 AD. Jerome translated it from a copy at the library of Caesarea; it was quoted dozens of times by the earliest church commentators. Jerome explained that our Greek version of Matthew came from this Hebrew version. Jerome noted a score of variants that were interesting. The Shem Tob version of Matthew is the best candidate to reflect the original Hebrew. Matthew Stanford Rives, a Christian attorney, tries to meticulously assemble what likely was the original Matthew from all these sources. It is hoped that this will be edifying to the faithful. The first of three volumes collects all viable earliest variants for Matthew overlaid on the framework of the American Standard Version of Matthew from 1901. These variants are color-coded for easy identification; the variants are footnoted so the reader can read its source and weigh its strength and viability. The second volume will collect important scholarly material on the validity of the early variants and the significance of the changes to the traditional text. Topics covered in volume two include whether the virgin birth was originally present, whether Yahweh's name was originally used, and on the aid to apologetics which the original Matthew variants provides. The third volume is intended for devotional reading; it attempts to represent the best estimate of what the entire original Gospel of Matthew contained. There is no commentary; it is simply a smooth-flowing text with the best variants reflected in the text, using color coding to signify the source of each variant. The same color codes are used in volume three as used in volume one; they will tell the reader the general source of the variant but to know the precise citation for the variant, one must refer back to volume one. The first and third volumes are separated to keep customer purchase costs down. This allows the readers to choose whether to purchase just volume one or also volume three to know the contents of the original

gospel of matthew a leading matthean scholar blends exegesis history of interpretation and theological reflection to offer illuminating studies on the first gospel this book is a verse by verse analysis of the new testament gospel of matthew it provides a comprehensive introduction to the gospel which describes the world of jesus and his first followers this commentary explores the historical social and religious contexts of matthew and examines the customs beliefs and ideas that inform the text unfamiliar to many readers of the new testament this background will help readers fully understand the text of matthew which focuses on what jesus taught and why the religious authorities in jerusalem rejected his message and gave him up to the roman governor for execution this book will be an important tool for the clergy scholars and other interested readers of matthew recent decades have seen significant shifts in biblical scholarship opening up a range of ways of engaging the biblical narrative both methodologically the tools and techniques for engaging the text and hermeneutically the perspectives that inform an interpreter's approach to the text and to the interpretative task it is these shifts that give shape to this introduction and study guide so that students encounter not only the text of matthew itself but also its rich lode of recent interpretation among aspects of 1st century life brought to the fore by current social scientific methodology are kinship the honor and shame culture and masculinity gender is another interpretative lens that has characterized the study of the gospel of matthew in recent decades and the guide provides pathways through this rich literature the guide to matthew concludes with the most recent turn of the hermeneutical lens namely an ecological perspective on what is perhaps the best known text in matthew the beatitudes this final chapter is an example of how we can enter an old and familiar text like the gospel of matthew from yet another new critical direction biblical texts create worlds of meaning and invite readers to enter them when readers enter such textual worlds which are often strange and complex they are confronted with theological claims with this in mind the purpose of the interpreting biblical texts series is to help dedicated students in their experience of reading and interpreting by providing guides for their journeys into textual worlds the controlling perspective is expressed in the operative word of the title interpreting the primary focus of the series is not so much on the world behind the texts or out of which the texts have arisen as on the worlds created by the texts in their engagement with readers in this volume donald senior provides an up to date introduction to the gospel of matthew the seven chapters of part one focus on modern biblical scholarship and the interpretation of matthew discussing the sources and structure of the gospel its use of the old testament its understanding of jewish law its setting as a part of the mission of christianity to the gentiles its christology its understanding of the nature of discipleship and the community from which the gospel originated the six chapters of part two provide a structured guide to reading and interpreting matthew's gospel the new testament launches with an eyewitness account of the events of jesus life from matthew a former tax collector who experienced a radical conversion and became one of jesus own disciples john macarthur will take you through the book of matthew passage by passage so that you can better understand everything from the cultural context to the implications of the coming of king jesus matthew's unique view interweaves his strong jewish knowledge of the expected messiah with his personal recollections of the flesh and blood savior in the process he reveals the qualifications that prove jesus was the promised messiah his miraculous birth his response to the test of his kingliness his inauguration his miracles his teachings and public ministry every detail of the book of matthew confirms jesus deity and proves he is the messiah of israel and the savior of the world about the series the macarthur bible study series is designed to help you study the word of god with guidance from widely respected pastor and author john macarthur each guide provides intriguing examinations of the whole of scripture by examining its parts and incorporates extensive but straight forward commentary on the text detailed observations on overriding themes timelines history and context word and phrase

studies to help you unlock the broader meaning and apply it to your life probing interactive questions with plenty of space to write down your response and thoughts concentrate on the biblical author's message as it unfolds designed to assist the pastor and bible teacher in conveying the significance of god's word the zondervan exegetical commentary on the new testament series treats the literary context and structure of every passage of the new testament book in the original greek with a unique layout designed to help you comprehend the form and flow of each passage the zecnt unpacks the key message the author's original translation an exegetical outline verse by verse commentary theology in application while primarily designed for those with a basic knowledge of biblical greek all who strive to understand and teach the new testament will benefit from the depth format and scholarship of these volumes in this volume grant osborne offers pastors students and teachers a focused resource for reading the gospel of matthew through the use of graphic representations of translations succinct summaries of main ideas exegetical outlines and other features osborne presents the gospel of matthew with precision and accuracy because of this series focus on the textual structure of the scriptures readers will better understand the literary elements of matthew comprehend the author's revolutionary goals and ultimately discovering their vital claims upon the church today unlike some other reproductions of classic texts 1 we have not used ocr optical character recognition as this leads to bad quality books with introduced typos 2 in books where there are images such as portraits maps sketches etc we have endeavoured to keep the quality of these images so they represent accurately the original artefact although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy what was the original purpose of the gospel of matthew for whom was it written in this magisterial two volume commentary walter wilson interprets matthew as a catechetical work that expresses the ideological and institutional concerns of a faction of disaffected jewish followers of jesus in the late first century ce wilson's compelling thesis frames matthew's gospel as not only a continuation of the biblical story but also as a didactic narrative intended to shape the commitments and identity of a particular group that saw itself as a beleaguered dissident minority thus the text clarifies jesus's essential jewish character as the son of david while also portraying him in opposition to prominent religious leaders of his day most notably the pharisees and open to cordial association with non jews through meticulous engagement with the greek text of the gospel as well as relevant primary sources and secondary literature wilson offers a wealth of insight into the first book of the new testament after an introduction exploring the background of the text its genre and literary features and its theological orientation wilson explicates each passage of the gospel with thorough commentary on the intended message to first century readers about topics like morality liturgy mission group discipline and eschatology scholars students pastors and all readers interested in what makes the gospel of matthew distinctive among the synoptics will appreciate and benefit from wilson's deep contextualization of the text informed by his years of studying the new testament and christian origins a short handy guide to the gospel of matthew for all who want to explore the first book of the new testament in group study or on their own matthew 23 presents the new testament scholar with many problems not the least of these is the unequivocal acceptance of pharisaic authority in vv 2-3 in the same chapter the tithing of mint dill and cummin is affirmed v 23 and the altar is said still to sanctify the gift v 19 this material seems out of place within the broader context of matthew's gospel this study examines the origin and function of such material and argues that the bulk of the chapter vv 2-31 is formed from a single unified source and cannot be explained in terms of matthew's editing of q m and markan material the focus of the criticism found in these verses is that the pharisees are too slack they strain gnats but swallow camels v 24 they say but do not do v 4 to this unified source material however the evangelist has added his own vv 32-39 and by it launches an attack not just upon the pharisees and scribes but

jerusalem and her children as a whole matthew therefore both heightens the polemic and extends its range originally published in 1956 as the daily study bible the gospel of matthew volume 1 by saint andrew press edinburgh revised and updated by saint andrew press 2001

this extremely rare work by william tyndale is now back in print a masterly commentary from an early reformer this work has never to our knowledge been printed as a separate title since tyndale published it and has only been in print a handful of times since then and only as part of collected works editions tyndale was the first to translate the bible into english and all subsequent english translations of the bible owe tyndale an inestimable depth of gratitude for the dangerous labor of

love he undertook to give the bible to the english people and thus the whole world from tyndale s prologue here hast thou dear reader an exposition upon the fifth sixth and seventh chapters of matthew wherein christ our spiritual isaac diggeth again the wells of abraham which wells the scribes and pharisees those wicked and spiteful philistines had stopped and filled up with the earth of their false expositions he openeth the kingdom of heaven which they had shut up that other men should not enter as they themselves had no lust to go in he restoreth the key of knowledge which they had taken away and broken the wards with wresting the text contrary to his due and natural course with their false glosses he plucketh away from the face of moses the veil which the scribes and pharisees had spread thereon that no man might perceive the brightness of his countenance he weedeth out the thorns and bushes of their pharisaical glosses wherewith they had stopped up the narrow way and strait gate that few could find them read here the words of christ with this exposition following and thou shalt see the law faith and works restored each to his right use and true meaning and thereto the clear difference between the spiritual regiment and the temporal and shalt have an entrance and open way into the rest of all the scripture wherein and in all other things the spirit of verity guide thee and thine understanding so be it

1884

unlike some other reproductions of classic texts 1 we have not used ocr optical character recognition as this leads to bad quality books with introduced typos 2 in books where there are images such as portraits maps sketches etc we have endeavoured to keep the quality of these images so they represent accurately the original artefact although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

Matthew

what was the original purpose of the gospel of matthew for whom was it written in

this magisterial two volume commentary walter wilson interprets matthew as a catechetical work that expresses the ideological and institutional concerns of a faction of disaffected jewish followers of jesus in the late first century ce wilson s compelling thesis frames matthew s gospel as not only a continuation of the biblical story but also as a didactic narrative intended to shape the commitments and identity of a particular group that saw itself as a beleaguered dissident minority thus the text clarifies jesus s essential jewish character as the son of david while also portraying him in opposition to prominent religious leaders of his day most notably the pharisees and open to cordial association with non jews through meticulous engagement with the greek text of the gospel as well as relevant primary sources and secondary literature wilson offers a wealth of insight into the first book of the new testament after an introduction exploring the background of the text its genre and literary features and its theological orientation wilson explicates each passage of the gospel with thorough commentary on the intended message to first century readers about topics like morality liturgy mission group discipline and eschatology scholars students pastors and all readers interested in what makes the gospel of matthew distinctive among the synoptics will appreciate and benefit from wilson s deep contextualization of the text informed by his years of studying the new testament and christian origins

a short handy guide to the gospel of matthew for all who want to explore the first book of the new testament in group study or on their own

Studies in Matthew

2005-11

matthew 23 presents the new testament scholar with many problems not the least of these is the unequivocal acceptance of pharisaic authority in vv 2 3 in the same chapter the tithing of mint dill and cummin is affirmed v 23 and the altar is said still to sanctify the gift v 19 this material seems out of place within the broader context of matthew s gospel this study examines the origin and function of such material and argues that the bulk of the chapter vv 2 31 is formed from a single unified source and cannot be explained in terms of matthew s editing of q m and markan material the focus of the criticism found in these verses is that the pharisees are too slack they strain gnats but swallow camels v 24 they say but do not do v 4 to this unified source material however the evangelist has added his own vv 32 39 and by it launches an attack not just upon the pharisees and scribes but jerusalem and her children as a whole matthew therefore both heightens the polemic and extends its range
