Sense and Stigma in the Gospels

2013-10

louise j lawrence presents provocative re interpretations of biblical characters that have previously been sidelined and stigmatised on account of their perceived disability she introduces approaches taken from sensory anthropology and disability studies to bring fresh methodological perspectives to familiar gospel texts

Gospel Figures in Art

2003

in viewing the great works of sacred western art many people find difficulty in understanding the stories and identifying the figures portrayed in them this informative guide decodes these often mysterious scenes and reveals a vibrant world of images from the christian tradition for museum visitors students and art enthusiasts alike gospel figures in art examines depictions of stories and figures from both the new testament s canonical gospels the books of matthew mark luke and john and the apocryphal gospels early christian writings excluded from the new testament because of their unsubstantiated authorship which served as rich sources of inspiration for medieval and renaissance artists illustrated with masterpieces from many of

paradigms in computing making machines and models for design agency in
the world's premier museums the art works provided as visual architecture (PDF)
references are carefully analyzed sections are devoted to the
principal figures in the life of jesus christ his family and the
evangelists and to the major biographical turning points his birth
and baptism his public life the miracles and good deeds he
performed his crucifixion resurrection and the events that
followed this indispensable resource makes the icons and
narratives of sacred art come to life

Montage Depictions Of The Life Of Jesus

2013-11-11

stories of jesus have been told throughout time but the great
fine art masters brought the narrative to light in very unique
and poignant ways scholars and students of the bible appreciators
of art and people who simply seek understanding through the
visual medium will enjoy this heartfelt rendering of the various
stages of jesus life through their meticulous choice of fine art
james william and jacquelyn m allen draw the observer into a
world that often finds expression within the purview of text
though scripture and other scholarship paint picture with words
the artistic universe offers a shocking paradigm shift suddenly
we are there in judea feeling empathy and joy for mary and
joseph a young couple who have been told of the savior's
forthcoming arrival their very own newborn angels the three
wise men also known as the magi and a host of other

paradigms in computing making machines and models for design agency in participants come to life through breathtaking brush strokes that architecture (PDF) magically vanish millennia created through artful use of digital technology james william allen s photoshop montages juxtapose various renditions of artistic brilliance across the ages demonstrating the timeless impact of jesus birth life trajectory death resurrection and ascension the text was largely derived from the canonical bible four accounts according to the gospels of matthew mark luke and john the authors of this work neither purport to be biblical scholars nor intend to set forth a particular set of religious or spiritual principals the book is primarily offered for aesthetic purposes and in tribute to a remarkable life that eternally endures

Theologies of the Gospel in Context

2017-08-25

many preachers and teachers of preaching talk about the gospel few name it theologies of the gospel in context assembles a gifted group of homileticians who think that preachers need to be able to articulate the gospel not in general but in a certain time and place in context they consider what gospel sounds like for people under oppression in capitalist economies in neocolonial contexts for survivors of trauma and for disestablished mainline churches marred by racism preachers will appreciate these preacher scholars desire to articulate the gospel with clarity especially since the term is so often left

paradigms in computing making machines and models for design agency in
unexplained homileticians will see a new genre of doing their ^{architecture (PDF)}
work as teachers and researchers in preaching a vision that helps
preaching see itself not just as an adjunct to exegesis or
communication but a place of doing theology in these pages
homiletics is more than technique it is a truly theological
discipline

How to Read the Gospels

2024-05-29

this accessible introduction to the gospels examines the distinctive messages offered by the texts giving students a better understanding of methods and interpretations it explores a close reading of each gospel and encourages students to approach texts from their own perspectives from postcolonialism to environmentalism the discussion questions included will help students focus their reflections on the gospel narrative its theology and methods of reading it how to read the gospels is an ideal textbook for undergraduate and seminary classrooms the book aims to reach seminary and graduate students who study the gospels critically and comprehensively it provides user friendly summaries such as the basics of each gospel authorship history important parables etc the Jesus of each gospel and notable interpretation and translation issues without reading the entire story readers often focus on only specific passages this book aims to foster close reading of each entire text sensitizing

paradigms in computing making machines and models for design agency in
students to historical and literary issues that commonly arise and ^{architecture (PDF)}
helping them better understand various ways to interpret these
formative stories what makes this book unique is that it also
engages various readings of the gospels from traditional to
deconstruction approaches including womanist interpretation
disability interpretation ecological interpretation and many more
for example how can readers understand the story of jesus
surprising conversation with the samaritan woman in john 4
through the lens of feminism or postcolonial criticism by
providing alternative ways to think about these stories and
various methods of approaching texts that may be new to the
student the book opens up how such passages can be interpreted
and appreciated

Jesus the Jew

1981-01-01

this now classic book is a significant corrective to several recent
developments in the study of the historical jesus in contrast to
depictions of jesus as a wandering cynic teacher geza vermes
offers a portrait based on evidence of charismatic activity in first
century galilee vermes shows how the major new testament
titles of jesus prophet lord messiah son of man son of god can be
understood in this historical context the result is a description of
jesus that retains its power and its credibility

~~*Writing the Gospels*~~

2019-02-21

in this book prominent biblical scholars engage with francis watson s most striking arguments on the creation of the gospels their contributions focus in particular on his argument for a fourfold gospel rather than four separate gospels his argument against q but for an early sayings collection and on the larger landscape of jesus studies gospel reception and interpretation the contributors ask whether and in what ways watson s reorientation of gospel studies is successful and explore its implications for research leading scholars including jens schröter margaret mitchell richard bauckham and many others provide a close critical and creative engagement with watson s work more than merely a critical review of watson s writing this book carries forward his work with fresh treatments and provides an essential volume for students and scholars seeking to understand the landscape of gospel studies and to explore new directions within it

Permission Granted--Take the Bible into Your Own Hands

The Gospels Behind the Gospels

2023-02-23

paradigms in computing making machines and models for design agency in
~~what if we have been missing a whole stage of how the~~ architecture (PDF)
canonical gospels came to be what if there were a whole raft of
prior jesus narratives whether written or oral the fragmentary
vestiges of which now appear in matthew mark luke and john
this would explain why these gospels seem over crowded with
incompatible understandings of jesus christologies in the gospels
behind the gospels innovative biblical scholar robert m price
attempts to reassemble the puzzle pieces disclosing several
earlier gospels of communities who imagined jesus as the
predicted return of the prophet elijah the samaritan taheb a
second moses a resurrected john the baptist a theophany of
yahweh a gnostic revealer a zealot revolutionary etc as these
various sects shrank and collapsed their remaining followers
would have come together just as modern churches and
denominations seek to survive by merging and consolidating
our canonical gospels might be the result similarly price
explores the possibility that paul apollos cephas and christ listed
as if on a par in 1 corinthians 1 12 were originally figureheads of
rival sects who eventually merged in much the same way you
will never read the gospels the same way again

New Testament Basics

2022-10-11

new testament basics introduces college university seminary
and divinity school students to the study of the new testament

teammate-levelup.mombaby.com.tw

paradigms in computing making machines and models for design agency in
authors stefan alkier and david m moffitt adopt five major aims i
architecture (PDF)
to explore how the bible came to exist dealing with the
formation and significance of the christian canon ii to discuss the
ways the bible continues to exert influence on contemporary
culture demonstrating the ongoing value and importance of
biblical literacy iii to introduce readers to some of the most
fundamental methods used in the study of the new testament
including a substantial discussion of semiotics and its usefulness
for new testament interpretation iv to provide a survey of
central historical social and economic information as important
contextual knowledge for interpreting the new testament and v
to offer some brief discussion of the contents of several new
testament texts and consider ways they might inform
theological reflection in the end alkier and moffitt s new
testament basics fosters within students important competencies
needed to read and interpret the new testament for themselves

Preaching Jesus

1997

the postliberal cultural linguistic theology of the vale school has
been one of the most important theological developments in the
united states during the latter twentieth century in this unique
book which combines theological analysis and homiletical
reflection charles campbell examines postliberal theology as it is
embodied in the work of hans frei and develops the implications

paradigms in computing making machines and models for design agency in
of this theological position for the theory and practice of architecture (PDF)
preaching arguing that the trouble with homiletics today is
fundamentally theological campbell offers frei s theological
position as a means for enriching the christian pulpit and
renewing the church

Theology and Narrative

1993-09-23

hans w frei 1922 1988 was one of the most influential american theologians of his generation early in his career he drew attention to the importance of biblical narratives he helped make karl barth once again a creative voice in contemporary theology and he served as a model of what his colleague george lindbeck has called postliberal theology this volume collects ten of frei s lectures and essays many of them never before published addressing audiences of theologians biblical scholars and literary critics frei explores the implications of his work for hermeneutics and christology and discusses barth schleiermacher and his own teacher h richard niebuhr william placher has provided an introduction to frei s life and work and the volume ends with an essay by george hunsinger on frei s significance for theology today this collection provides an unrivaled introduction to frei s work

The Gospel of John

2012-02-22

the author of a much loved two volume matthew commentary 1990 that he greatly revised and expanded fourteen years later frederick dale bruner now offers the gospel of john a commentary more rich fruit of his lifetime of study and teaching rather than relying primarily on recent scholarship bruner honors and draws from the church s major john commentators throughout history including augustine chrysostom aquinas luther calvin bultmann barrett and many more alongside this historical interpretation is bruner s own contemporary interpretation which incorporates a lucid translation of the text references to recent scholarship and his pastoral application of the gospel to present day experience like bruner s other work this commentary is rich in biblical insights broadly historical and deeply theological here is what eugene peterson said about bruner s earlier work on matthew this is the kind of commentary i most want a theological wrestling with scripture frederick dale bruner grapples with the text not only as a technical exegete although he does that very well but as a church theologian caring passionately about what these words tell us about god and ourselves his matthew commentary is in the grand traditions of augustine calvin and luther expansive and leisurely loving the text the people in it and the christians who read it the same could well be said about the present john

The Apocryphal Gospels

2021-11-19

the new testament contains four accounts of the life of jesus to some people in antiquity four was too many disagreements in the gospels over what jesus said and did triggered debate between insiders and drew criticism from outsiders to other people four was not enough as early as the first century christians wrote additional gospels each with their own portrayal of jesus and depictions of his relationships with his family his followers and his father while these gospels were not included in the new testament canon many continued to be important for christian thought and practice all these texts moreover are significant for the study of emergent christianity this short accessible introduction draws on current scholarship on the various noncanonical or apocryphal gospels to present this fascinating literature to readers eager to learn more about their origins contents and meaning the book begins with a discussion of the distinction between gospels that became canonical and those that came to be regarded as apocryphal then the gospels are presented in chapters arranged according to jesus ministry from infancy gospels to texts about jesus earthly career to his passion resurrection and postresurrection appearances this book

paradigms in computing making machines and models for design agency in
demonstrates how early christians confronted crises in their architecture (PDF)
communities through story crafting new accounts of jesus life
that expanded upon and sometimes challenged the gospels that
became canonical the apocryphal gospels are not scripture but
they are no less valuable for understanding christianity in its
formative centuries and beyond

Anthropomorphic Depictions of God

2012

this monumental study examines issues of anthropomorphism in
the three abrahamic faiths as viewed through the texts of the
hebrew bible the new testament and the qur an throughout
history christianity and judaism have tried to make sense of god
while juxtaposing the islamic position against this the author
addresses the judeo christian worldview and how each has
chosen to framework its encounter with god to what extent this
has been the result of actual scripture and to what extent the
product of theological debate or church decrees of later centuries
and absorption of hellenistic philosophy shah also examines islam
s heavily anti anthropomorphic stance and islamic theological
discourse on tawhid as well as the ninety nine names of god and
what these have meant in relation to muslim understanding of
god and his attributes describing how these became the
touchstone of muslim discourse with judaism and christianity he
critiques theological statements and perspectives that came to

paradigms in computing making machines and models for design agency in
~~dilute if not counter strict monotheism as secularism debates~~ ^{architecture (PDF)}

whether god is dead the issue of anthropomorphism has become of immense importance the quest for god especially in this day and age is partly one of intellectual longing to shah anthropomorphic concepts and corporeal depictions of the divine are perhaps among the leading factors of modern atheism as such he ultimately draws the conclusion that the postmodern longing for god will not be quenched by pre modern anthropomorphic and corporeal concepts of the divine which have simply brought god down to this cosmos with a precise historical function and a specified location reducing the intellectual and spiritual force of what god is and represents causing the soul to detract from a sense of the sacred and thereby belief in him

The Theology of the Gospel of Luke

1995-04-20

the gospel of luke often mined for information about the life of jesus is also one of the earliest christian examples of narrative theology unlike some writers of new testament books luke has engaged in the theological task by shaping a narrative representation of the coming and mission of jesus in doing so he goes to great lengths to ground the work of jesus in the continuing story of god s redemptive plan especially witnessed in the scriptures and he also emphasises the ongoing character of that story with the result that luke s audience is challenged to

paradigms in computing making machines and models for design agency in
~~discern the purpose of god in order that they may embrace it~~ ^{architecture (PDF)}
and order their lives around it this exploration of the way in
which luke accomplishes his theological task in the first century
is both informative and illuminating for contemporary readers
seeking approaches to cultural criticism and constructive
theology today

Humor in the Gospels

2015-05-05

humor in the gospels is the most comprehensive resource on
gospel humor to date terri bednarz reviews and critiques a 150
years of biblical scholarship on the subject from little known
journal articles and out of print books to the most well respected
classical works of today she covers a range of scholarly
discussions on the various forms and functions of gospel humor
from frivolity to witty allusions to satirical barbs she examines
the barriers of associating humor with the gospel depictions of
jesus the difficulties of identifying humor in ancient biblical
texts and the advances of literary contextual and rhetorical
approaches to recognizing gospel humor this important work
includes an extensive bibliography for further study of gospel
humor in particular and biblical humor in general

The Oxford Handbook of the Synoptic

Gospels

2023

the field of synoptic studies traditionally has had two basic foci the question of how matthew mark and luke are related to each other what their sources are and how the gospels use their sources constitutes the first focus collectively scholarship on the synoptic problem has tried to address these issues and recent years have seen renewed interest and rigorous debate about some of the traditional approaches to the synoptic problem and how these approaches might inform the understanding of the origins of the early jesus movement the second focus involves thematic studies across the three gospels these are usually but not exclusively performed for theological purposes to tease out the early jesus movement s thinking about the nature of jesus the motivations for his actions the meaning of his death and resurrection and his relationship to god these studies pay less attention to the particular voices of the three individual synoptic gospels because they are trying to get to the overall theological character of jesus

Cross-Examined Films

2017-12-06

paradigms in computing making machines and models for design agency in
after spending nearly a quarter of a lifetime watching popular ^{architecture (PDF)}
and independent films matthew king rn makes a point to
criticize the christian church for its lack of engagement with
films he believes that the lack of engagement and the strong
denunciation of films only because of their sexual or violent
content has lost an entire generation because of the inability to
speak the millennial language of popular hollywood films with
searing prose and biting confrontation king attempts to engage
films through the lens of theology philosophy and political
analysis to assist the church in identifying positive as well as
negative examples of the topics within to better engage an
entire generation through this investigation christians and non
christians alike will be both enlightened and surprised at what
popular films have unconsciously taught them from a young age

The Oxford Encyclopedia of the Bible and Gender Studies

2014

as the first major encyclopedia of its kind the oxford
encyclopedia of the bible and gender studies oebgs is the go to
source for scholars and students undertaking original research in
the field extending the work of nineteenth and twentieth
century feminist scholarship and more recent queer studies the
encyclopedia seeks to advance the scholarly conversation by

paradigms in computing making machines and models for design agency in
~~systematically exploring the ways in which gender is~~ ^{architecture (PDF)}
constructed in the diverse texts cultures and readers that
constitute the world of the bible with contributions from leading
scholars in gender and biblical studies as well as contemporary
gender theorists classicists archaeologists and ancient historians
this comprehensive reference work reflects the diverse and
interdisciplinary nature of the field and traces both historical and
modern conceptions of gender and sexuality in the bible the two
volume encyclopedia contains more than 160 entries ranging in
length from 1 000 to 10 000 words each entry includes
bibliographic references and suggestions for further reading as
well as a topical outline and index to aid in research the oebgs
builds upon the pioneering work of biblically focused gender
theorists to help guide and encourage further gendered
discussions of the bible

Anatomies of the Gospels and Beyond

2019-01-28

the twenty five essays of anatomies of the gospels and beyond
are offered by internationally recognized new testament
scholars to honor the deep and broad legacy of r alan culpepper
by presenting a snapshot of current research in the field

The Crowds in the Gospel of Matthew

2001-12-01

this volume identifies the crowds in the gospel of matthew and explains their character and function it argues that a proper appreciation of the role of the crowds is essential to an understanding of salvation history within the gospel

The Resurrection of History

2014-09-08

did jesus really rise from the dead and does it really matter in the resurrection of history david bruce explores what historians theologians and new testament scholars have said about the resurrection of jesus from a historical point of view bruce argues that scholars don t have to dismiss the scriptural witness that he is risen as metaphor or wishful thinking bruce examines the development of the art of history writing and explores the theological possibilities now open to scholars in the twenty first century using contemporary examples bruce helps his readers come to grips with the interrelationship of history and theology and think like theologically informed historians respectful of varying points of view bruce defends the traditional orthodox view of the resurrection and challenges his readers to consider the implications for christian faith and witness if in fact the

Jesus Research

2019-02-07

most experts who seek to understand the historical jesus focus only on the synoptic gospels of mark matthew and luke however the contributors of this volume come to an important consensus that the gospel of john preserves traditions that are independent of the synoptics and which are often as reliable as any known traditions for understanding the historical jesus as such the contributors argue for the use of john s gospel in jesus research the volume contains various critical approaches to historical inquiry in the gospel of john including new evaluations of the relationship between john and the synoptics literary and rhetorical approaches comparative analysis of other early traditions the judicious use of archaeological data and historical interpretation of john s theological tendencies contributing scholars include dale c allison jr paul n anderson harold w attridge james h charlesworth r alan culpepper michael a daise craig s keener george l parsenios petr pokorný jan roskovec and urban c von wahlde who help to reassess fully the historical study of john s gospel particularly with respect to the person of jesus

Jesus, the Gospels and Cinematic

Imagination

2021

richard walsh and jeffrey staley introduce the full history and phenomenon of jesus movies beginning with an introduction to the prevalent themes in cinematic depictions of jesus and messiah figures they survey over twenty of the most influential and distinctive individual films

Spirit-empowered Christianity in the Twenty-first Century

2011

spirit empowered christianity in the 21st century is an authoritative compilation of the presentations from thirty leaders in the charismatic pentecostal movement given at the empowered 21 conference in tulsa ok in april 2010 these chapters share emerging insights on how the next generation will handle the profound issues facing christians within the charismatic pentecostal movement in the 21st century

~~Authenticating Criteria in Jesus Research~~ *and Beyond*

2023-10-16

are the criteria of authenticity of jesus research idiosyncratic to new testament studies vehicles of subjectivity and fundamentally flawed vestiges of form criticism as some claim today if so why do opponents of the criteria approach still use them or are the criteria the tools of general historiography as others assert if true none have adequately demonstrated where and how principles such as multiple attestation general and historical coherence dissimilarity and embarrassment feature in general historiographic method until now this study analyzes the methods of general historians and jesus researchers who favor or oppose the criteria and demonstrates that regardless of sub discipline authenticating criteria are inherent to the practice of historiography

Negotiating the Disabled Body

2018-10-29

an intersectional study of new testament and noncanonical literature anna rebecca solevåg explores how nonnormative bodies are presented in early christian literature through the

paradigms in computing making machines and models for design agency in
lens of disability studies in a number of case studies ^{architecture (PDF)}
solevåg

shows how early christians struggled to come to terms with issues relating to body health and dis ability in the gospel stories apocryphal narratives pauline letters and patristic expositions solevåg uses the concepts of narrative prosthesis gaze and stare stigma monster theory and crip theory to examine early christian material to reveal the multiple polyphonous contradictory ways in which nonnormative bodies appear features case studies that reveal a variety of understandings attitudes medical frameworks and taxonomies for how disabled bodies were interpreted a methodology that uses disability as an analytical tool that contributes insights about cultural categories ideas of otherness and social groups access to or lack of power an intersectional perspective drawing on feminist gender queer race class and postcolonial studies

The New Testament

2022-09-13

an accessible introduction to the new testament offering up to date historical critical scholarship and diverse critical perspectives the new testament a contemporary introduction presents a concise account of the emergence of jesus traditions in the broader context of ancient mediterranean history incorporating established historical approaches and alternative academic analyses this innovative textbook helps students

paradigms in computing making machines and models for design agency in
understand the historical and political contexts of the authors and architecture (PDF)
their audiences and how different social identities and lived
experiences influenced the formation of the bible and its later
interpretations accomplished scholar colleen conway emphasizes
the cultural and literary context of the new testament while
drawing from historical postcolonial gender feminist and
intersectional analyses of biblical texts throughout the book
students explore how issues of race class gender sexual
orientation and power dynamics contributed to the production of
the new testament texts and continue to inform their
interpretation in the 21st century through twelve
chronologically organized chapters this book examines paul s
mission to the gentiles unity and conflict in paul s communities
the four gospel narratives the revelation to john hebrews 1
peter the new testament canon early christian writings and
more the new testament a contemporary introduction provides
an up to date introduction to historical and critical methods and
central questions in the field helps students contextualize the
different writings of the new testament as part of the
mediterranean world of the first century for example exploring
how roman imperial rule and social stratification affected the
authors of new testament texts discusses how ideas about gender
and race affect the meaning and application of new testament
texts features contemporary voices sections highlighting the
work of modern new testament scholars includes numerous
pedagogical tools such as chapter review questions key term lists

paradigms in computing making machines and models for design agency in
suggested readings a timeline maps illustrations photographs a
architecture (PDF)
glossary and much more designed for undergraduate students
with varying levels of biblical knowledge the new testament a
contemporary introduction is an ideal textbook for one semester
religious studies courses on the bible the new testament or early
christianity as well as undergraduate and graduate students in
history sociology and philosophy

Images of Illness in the Gospel of Luke

2003

analyzing the illness related terminology of the gospel against
the background of classical medical texts annette weissenrieder
examines the degree to which ancient medical knowledge was
incorporated into the healing narratives of the gospel of luke
thus her work focuses on the crossroads of theology and medical
history her primary reference is the corpus hippocraticum
supplemented by the writings of soranus empedocles and caelius
aurelianus she also examines jewish sources in the light of these
secular medical texts the premise of the study is the
constructivist concept that has been developed in the context of
writing the history of the body that there is no objective view
of the sick body every description of the body is formed by the
cultural norms of a particular society and society s culture
influences the way in which any given illness is seen in
investigating concepts of medicine prevalent in antiquity

paradigms in computing making machines and models for design agency in
architecture (PDF)
~~annette weissenrieder brings to light the cultural parameters of~~
perception specific to luke she deals with gender specific images
of illness as well as with those associated with impurity or
demonic possession her analysis confirms that the concepts of
illness used by the lucan author were profoundly characteristic
of his time she demonstrates how he uses these concepts to
make his central message plausible the presence of divine
reality in the human sphere which can be experienced by both
the physical body and the social body

On Solitude, Conscience, Love and Our Inner and Outer Lives

2019-07-25

ron haflidson places the theology of augustine in conversation
with contemporary authors who warn of the dangers of
abandoning solitude for constant often technological connection
haflidson addresses an essential question that has previously been
neglected what difference does it make to the practice of
solitude if one believes that even in the absence of any human
company god is always intimately present for augustine solitude
is a moral necessity he recommends that we regularly retreat
from the crowd into the depths of our conscience where we can
dwell alone in the company of god and enter into dialogue
before and with god about who we are and how we love

paradigms in computing making machines and models for design agency in
throughout this book haflidson pairs close readings of ^{architecture (PDF)} ~~augustine~~
with those of noted cartographers of our inner lives literary
greats including jane austen george eliot marilynne robinson
and george saunders this book explores what undiscovered
possibilities may lie in solitude

The Triune Story

2019-06-18

at the time of his death in the autumn of 2017 robert w jenson was arguably america s foremost theologian over the course of a career spanning more than five decades much of jenson s thought was dedicated to the theological description of how scripture should be read what has come to be called theological interpretation in this rapidly expanding field of scholarship jenson has had an inordinate impact despite its importance study of jenson s theology of scriptural interpretation has lagged due in large part to the longevity of his career and volume of his output in this book all of jenson s writings on scripture and its interpretation have been collected for the first time here readers will be able to see the evolution of jenson s thought on this topic as well as the scope and intensity of his late period engagement with it where other twentieth century thinkers rely on non theological secular methods of scriptural investigation jenson is willing to let go of respectability for the sake of a truly christian theological interpretation the result is a genuinely free

one of the greatest theologians in the last century

Children in Early Christian Narratives

2015-04-23

sharon betsworth examines the narratives parables and teachings of and about children in the gospels and the literature of early christianity betsworth begins with a discussion of the social historical context of children and childhood in the first century before discussing the role of children in all four gospels she shows that for mark and matthew children are integral to understanding each evangelist s perspective on the reign of god and on jesus identity in each gospel in the gospel of luke the childhood of jesus is shown to be crucial to the broader themes of the gospel in the gospel of john betsworth examines the metaphorical use of the word children looking at children of light and of darkness she then explores stories of jesus childhood in the non canonical infancy gospels of james and thomas as well as the childhood of his mother mary in the latter shedding light upon views of children discipleship and the person of jesus in early christianity and in the ancient world more generally

What Jesus Learned from Women

2021-02-26

dehumanization has led to serious misinterpretation of the gospels on the one hand christians have often made jesus so much more than human that it seemed inappropriate to ask about the influence other human beings had on him male or female on the other hand women have been treated as less than fully human their names omitted from stories and their voices and influence on jesus neglected when we ask the question this book does what jesus learned from women puzzling questions that have frustrated readers of the gospels throughout history suddenly find solutions weaving cutting edge biblical scholarship together with an element of historical fiction and a knack for writing for a general audience james mcgrath makes the stories of women in the new testament come alive and sheds fresh light on the figure of jesus as well this book is a must read for scholars students and anyone else interested in jesus and or in the role of ancient women in the context of their times

The New Testament and the Theology of Trust

2022-06-30

paradigms in computing making machines and models for design agency in
this study argues for the recovery of trust as a central theme in ^{architecture (PDF)}
christian theology and offers the first theology of trust in the
new testament trust is the root meaning of christian faith pistis
fides and trusting in god and christ is still fundamental to
christians but unlike faith and other aspects of faith such as belief
or hope trust is little studied building on her ground breaking
study roman faith and christian faith and drawing on the
philosophy and psychology of trust teresa morgan explores the
significance of trust trustworthiness faithfulness and
entrustedness in new testament writings trust between god
christ and humanity is revealed as a risky dynamic forward
looking life changing partnership god entrusts christ with
winning the trust of humanity and bringing humanity to trust
in god god and christ trust humanity to respond to god s
initiative through christ and entrust the faithful with diverse
forms of work for humanity and for creation human
understanding of god and christ is limited and trust and
faithfulness often fail but imperfect trust is not a deal breaker
morgan develops a new model of atonement showing how trust
enables humanity s release from the power of both sin and
suffering she examines the neglected concept of propositional
trust and argues that it plays a key role in faith this volume
offers a compelling vision of christian trust as soteriological
ethical and community forming trust is both the means of
salvation and an end in itself because where we trust is where
we most fully live

Doing Theology in the New Normal

2021-07-30

responses to the recent pandemic have been driven by fear with social distancing and locking down of communities and borders as the most effective tactics out of fear and strategies that separate and isolate emerges what has been described as the new normal which seems to mutate daily truly global in scope with contributors from across the world this collection revisits four old responses to crises assure protest trick amend to explore if how those might still be relevant and effective and or how they might be mutated during and after a global pandemic together they paint a grounded earthy context focused picture of what it means to do theology in the new normal

The Theology of the Gospel of Matthew

1995-05-04

this book first published in 1995 introduces retells and analyses the gospel of matthew

Early Medieval Text and Image Volume 1

2019

~~when she died in 2016 dr jennifer o reilly left behind a body of~~ architecture (PDF)
published and unpublished work in three areas of medieval
studies the iconography of the gospel books produced in early
medieval ireland and anglo saxon england the writings of bede
and his older irish contemporary adomnán of iona and the early
lives of thomas becket in these three areas she explored the
connections between historical texts artistic images and biblical
exegesis this volume brings together nine studies of the insular
gospel books one of them on the iconography of the st gall
gospels essay 9 was left completed but unpublished on the
author s death it appears here for the first time the remaining
studies published between 1987 and 2013 examine certain
themes and motifs that inform the gospel books their implicit
christology their harmonisation of the four gospel accounts the
depiction of christ crucified and the portrayal of st john the
evangelist two of the books the durham gospels and the gospels
of mael brigte receive particular attention cs1079
