## **Read for Your Life 1992**

this book is about the implications of novels for young readers that tell their stories by alternating between different narrative lines focused on different characters it asks if you make sense of fiction by identifying with one main character how do you handle two or more of them do novels with alternating narratives diverge from longstanding conventions and represent a significant change in literature for young readers if not how do these novels manage to operate within the parameters of those conventions this book considers answers to these questions by means of a series of close readings that explore the structural educational and ideological implications of a variety of american british canadian and australian novels for children and for young adults

## **International Companion Encyclopedia of Children's Literature 2004-08-02**

this resource provides a user friendly process for creating a curriculum year overview that meets standards includes developed curriculum maps blank templates and more

## ***The Essential Guide to Children's Books and Their Creators 1993***

publisher description

## ***Literature for Today's Young Adults 2006***

with 140 fewer pages than the fourth edition the fifth obviously has been tightened it s partly in the format with narrower margins and less white space otherwise some text has been rephrased or rearranged and topics for example adolescent psychology given shorter shrift coverage of holocaust literature has been expanded and discussion of problem novels improved sports books have been dumped in with humor movies and other stuff including humorous poetry which it seems the authors feel is the only kind teens read for pleasure other types of poetry as well as short stories and drama are relegated to the english classroom coverage of which has been enlarged the chapter on sf and fantasy is good on historical aspects but weak on today s writers a short list of internet listserves and sites has been incorporated as part of using ya literature in the library once again updating of appendixes seems spotty nevertheless this is useful as a resource for youth librarians and a tool for teaching ya literature sally estes
