in the numbers obsessed sport of baseball statistics don't merely record what players managers and owners have done properly understood they can tell us how the teams we root for could employ better strategies put more effective players on the field and win more games the revolution in baseball statistics that began in the 1970s is a controversial subject that professionals and fans alike argue over without end despite this fundamental change in the way we watch and understand the sport no one has written the book that reveals across every area of strategy and management how the best practitioners of statistical analysis in baseball people like bill james billy beane and theo Epstein think about numbers and the game baseball between the numbers is that book in separate chapters covering every aspect of the game from hitting pitching and fielding to roster construction and the scouting and drafting of players the experts at baseball prospectus examine the subtle hidden aspects of the game bring them out into the open and show us how our favorite teams could win more games this is a book that every fan every follower of sports radio every fantasy player every coach and every player at every level can learn from and enjoy

## **Baseball Between the Numbers**

2007-02-27

why does a curveball curve what is a can of corn why was joe dimaggio called the yankee clipper who wrote take me out to the ballgame how many times did ty cobb steal home in baseball miscellany the fascinating history and lore of our national pastime is finally revealed for example the reason a curveball curves is that its spin drags a layer of air across one surface of the ball faster than it does across the opposite surface a can of corn is slang for an easy to catch fly ball the term originating from a general store clerk reaching up and dropping a can from a high shelf sportswriters dubbed joe dimaggio the yankee clipper because he glided about the outfield with beauty and grace like a clipper ship on the ocean the lyrics to take me out to the ballgame were written in 1908 by vaudeville star jack norworth who while riding the subway was inspired by a sign that said baseball today polo grounds and the great ty cobb stole home a whopping fifty four times fifty more than the career leader in total stolen bases rickey henderson packed with all manner of delightful surprises beautiful illustrations and photographs and delicious nuggets of information baseball miscellany demystifies the origins and customs of america's most celebrated game from spring training through the world series you'll be entertained with fun little known facts why do baseball players wear stirrup socks who invented the catcher's mask what major league team passed up on signing eighteen year old willie mays in 1949 settle into your favorite armchair grab some peanuts or cracker jacks and find out

2018-03-06

tom clavin and danny peary chronicle the life and career of baseball's natural home run king in the first definitive biography of roger maris including a brand new chapter to commemorate the fiftieth anniversary of his record breaking season roger maris may be the greatest ballplayer no one really knows in 1961 the soft spoken man from the frozen plains of north dakota enjoyed one of the most amazing seasons in baseball history when he outslugged his teammate mickey mantle to become the game's natural home run king it was mantle himself who said roger was as good a man and as good a ballplayer as there ever was yet maris was vilified by fans and the press and has never received his due from biographers until now tom clavin and danny peary trace the dramatic arc of maris's life from his boyhood in fargo through his early pro career in the cleveland indians farm program to his world series championship years in new york and beyond at the center is the exciting story of the 1961 season and the ordeal maris endured as an outsider in yankee pinstripes unloved by fans who compared him unfavorably to their heroes ruth and mantle relentlessly attacked by an aggressive press corps who found him cold and inaccessible and treated miserably by the organization after the tremendous challenge of breaking ruth's record was behind him maris ultimately regained his love of baseball as a member of the world champion st louis cardinals and over time he gained redemption in the eyes of the yankee faithful with research drawn from more than 130 interviews with maris's teammates opponents family and friends as well as 16 pages of photos some of which have never before been seen this timely and poignant biography sheds light on an iconic figure from baseball's golden era and establishes the importance of his role in the game's history

## ***Roger Maris***

life lessons generously mixed with humor dust tears grass stains and the smell of leather

## Everything I needed to know about life I learned on a baseball field

2016-11

those who play baseball are in my opinion in some ways special persons baseball isn't just any sport it doesn't just form real athletes baseball forms particular men like giovanni tommasini a baseball player and today a writer he passed through that field with a particular shape called a diamond the green grass the red dirt put on a helmet hold the bat and you are about to enter the batter's box you against everybody on that little hill is the pitcher ready to challenge you all around him his teammates are ready to eliminate you if the pitcher fails to do so giovanni tommasini lived it on his skin he experienced what it means to slide on that red dirt to get to the base before the opponent's defenders could get you out an email a phone call and i met giovanni after exchanging a word or two i immediately understood how much baseball is still part of his life then when i read tomato his first story i realized how special this ligurian author is all the beauty and magic of this sport can be found in his writings getting inspiration from the birth of the team in the city of sanremo up to the fabulous story of alex liddi the first real professional italian major league player from sanremo tommasini's are not just ordinary stories with his quotes from great writers composers and poets he can make baseball a lesson of life baseball not only as a team sport but like a real gym of life in every position from pitcher to catcher from shortstop to the outfield this sport has something to give tommasini writes about the pitcher in nine spearheads the trajectory requested by the catcher a dock for the hitter the bat meeting the pitched ball the dreamed land on the new world heroes we can be heroes just for one day and forever from there the decision to publish on my website baseballmania because i believed right away what giovanni was proposing me no one in italy ever wrote about the baseball the way he did from the first stories

to those giovanni wrote later on something was born also from our exchange of ideas like the fantastic tale about the life of agostino liddi the origin of alex liddi then everything happened in a short time because tommasini s tales fly fast like the 90 miles fastball of a major league pitcher up to this book which collects like a single theme all the tales of this great ligurian writer the first great baseball writer in italy those who played baseball are special persons when you will get to the end of this book you will understand why

## **The American Dream of Tomato Baseball Club**

2019-12

the everything kids baseball book now in its updated fourth edition packs all the fun facts incredible stats and amazing history of america s favorite national pastime into one powerhouse volume you ll hit pay dirt with tons of stats on the greatest players old and new teams and managers plus tips on how to play and how to score find updated information on baseball greats like roger clemens and randy johnson how to keep track of your favorite team s stats and scores power hitters like david ortiz and manny ramirez the 2005 world series champions loaded with all you need to know to be an all star player and a baseball trivia pro the everything kids baseball book fourth edition delivers one grand slam after another

a compendium of baseball information from the best way to follow a favorite player or team to collecting baseball cards to tips for aspiring major leaguers on hitting pitching defense and base stealing

## The EVERYTHING KIDS' BASEBALL BOOK

2002-03-01

this little book will teach you all you need to know about the most frustrating yet entertaining pitch in baseball the knuckleball it makes batters look foolish when it works it embarrasses pitchers when it doesn't or if it works too well it humiliates catchers and umpires it confounds spectators dave clark has spent most of a lifetime studying the knuckleball talking to the major league pitchers who have thrown it and throwing a few of his own his book explains the strange workings of the pitch and how it's used no matter what your interest whether you're a pitcher batter catcher umpire coach spectator or parent of any of the above everything mr clark demonstrates in the knucklebook is carefully illustrated with line drawings so if you're an average high school pitcher who can throw strikes you'll be able to throw a knuckleball exactly like a legendary hall of famer you'll find appropriate and hilarious comments from those who have experienced the game of baseball as it's been affected by the wandering floater like those who throw the knuckler all this information was scattered to far flung corners of the baseball world until mr clark gathered and compiled it reading his little book you'll end up less mystified and more enlightened about this antic pitch or like the pitch itself you can just ride the breezes and enjoy the dancing flight from beginning to end with 51 black and white line drawings

## *The Knucklebook*

2012-03-16

within these pages you will discover not only the answers to 1 804 questions as to who was the first player manager umpire or executive to have accomplished a particular feat in the long history of major league baseball but we will take you back to not just the name but to the story behind the name to the moment of its happening and its result bringing the historical event clearly into focus so sit back enjoy and let us tell you about that first time in major league history

## The Groundbreakers! (There Is a First Time for Everything)
