overview lincoln s ten percent plan 1863 1865 presidential reconstruction 1865 1867 radical reconstruction 1867 1877 the postwar south and the black codes 1865 1877 grant s presidency 1869 1876 the end of reconstruction 1873 1877 key people key terms further study reconstruction 1865 1877 the turbulent era following the civil war was the effort to reintegrate southern states from the confederacy and 4 million newly freed people into the united states reconstruction the second civil war timeline reconstruction timeline reconstruction of the south 1857 library of congress 1863 january 1 president abraham lincoln signs the reconstruction the period 1865 77 after the american civil war during which attempts were made to redress the inequities of slavery and its political social and economic legacy and to solve the problems arising from the readmission to the union of the 11 states that had seceded the reconstruction era was a period in united states history following the american civil war dominated by the legal social and political challenges of abolishing slavery and reintegrating the eleven former confederate states of america into the united states america s unfinished revolution 1863 1877 by eric foner as the united states entered the 20th century reconstruction slowly receded into popular memory historians began to debate its results william dunning and john w burgess led the first group to offer a coherent and structured argument the reconstruction acts passed by congress started the process of congressional reconstruction designed by the radical republicans they imposed strict conditions on former confederate states to rejoin the union each state had to create a new constitution subject to congress s approval reconstruction was the period in u s history from 1865 to 1877 when attempts were made to redress the inequities of slavery and its legacy and also to solve the problems of reintegrating 11 states into the union after the civil war reconstruction 1865 1877 is the period of time following the american civil war 1861 1865 when some politicians and citizens sought to reunify the nation integrate freed slaves into society and the economy establish political and economic rights for all african americans and determine what role the u s government would play in this 13 lesson unit adapted from our reconstruction era book and part of a larger collection on the history of the reconstruction era is designed to fit within approximately three weeks in this unit students investigate the challenges of creating a just democracy in a time of deep division after the civil war a period historians call reconstruction political and societal change was massive and unprecedented the end of slavery brought challenges alongside hope this lesson looks at some of the changes including what freedom actually meant the promises lost and the legacy of this tumultuous period the reconstruction era and the fragility of democracy this resource guides students through a deep exploration of the pivotal era of american history when a nation divided by slavery and war was challenged to rebuild unit buildup to the civil war major battles and campaigns of the civil war key personalities of the civil war aftermath of the civil war links about the civil war books and databases about reconstruction key events and figures of reconstruction amendments acts and codes of reconstruction henry louis gates jr presents a vital new four hour documentary series on reconstruction america after the civil war the series explores the transformative years following the american civil 7 reconstruction download lesson plans and student activity sheets for the reconstruction unit from teaching with documents colonial america to reconstruction below
