## **The Story of the Alphabet**

2016-06-23

excerpt from the story of the alphabet if this little book does not supply a want it fills however imperfectly a gap for the only work in the english language on the subject canon isaac taylor s history of the alphabet is necessarily charged with a mass of technical detail which is stiff reading even for the student of graphiology moreover invaluable and indispensable as is that work it furnishes only a meagre account of those primitive stages of the art of writing knowledge of which is essential for tracing the development of that art so that its place in the general evolution of human inventions is made clear prominence is therefore given to this branch of the subject in the following pages in the recent reprint of canon taylor s book no reference occurs to the important materials collected by professor flinders petrie and mr arthur j evans in egypt and crete the result of which is to revolutionise the old theory of the source of the alphabet whence our own and others are derived this opens up a big question for experts to settle and here it must suffice to present a statement of the new evidence and to point out its significance so that the reader be not taken into the troubled atmosphere of controversy that he may further not be distracted by footnotes references to the authorities cited are printed in the text about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

## ***Origins of the Alphabet***

1994
