186 66business lawisbn 13 9780134729060 published 2018 introduction to business
management 10th edition offers an overview for business management within a local
context features case studies and examples to illustrate how the theory applies in
real world scenarios a range of business management topics are explored to offer
students a solid theoretical foundation for their studies chapters integrate
theoretical readings case studies and summaries of key legal cases to guide students
to a rich understanding of business ethics corporate responsibility and
sustainability the 10th edition has been entirely updated ensuring that students are
exposed to key ethical questions in the current business environment the 10th
edition reflects the current multidisciplinary nature of the field by explicitly
embracing a variety of perspectives on business ethics including philosophy
management and legal studies my goal is to present business law the legal
environment business ethics and digital law in a way that will spur students to ask
questions to go beyond rote memorization business law is an evolving outgrowth of
its environment and the legal environment keeps changing this new tenth edition of
business law the legal environment of business 10th edition 9781305967304 cengage
