MISTRESS OF LA RIOJA 2020-05-07

sophie fell in love the moment she met luis de la camara however when she learned that he was a billionaire and her cousin s fiancé her love wilted before it could fully bloom three years later she gets a phone call with the horrible news that her cousin has died in a car accident drowning in sorrow sophie sets off for spain to attend the funeral and finds luis waiting for her he s even more charming than he was before and the emotions sophie had hidden away start to bubble up to the surface but she has to force them down luis is the newly widowed husband of her cousin

Mistress of La Rioja 2010-05-14

his mistress but wouldshe ever be his wife in spain there had been a searingmutual attraction between sophie anddon luis de la camara and she d grownto love his motherless little boy too but nowluis had come to england to ask her to returnto la rioja as his son s nanny and hismistress it was hardly the declaration of love sophie hadhoped for could she really give up her home her business and her life to be with an aloofspaniard who d given up on love if there wasjust one tiny chance she could claim his love then the answer had to be yes

Bulletin of the Pan American Union 1904

from the banquets of kings and nobles to the daily struggle for the subsistence of the poor food was already much more than a biological necessity in the middle ages it was a social phenomenon full of meaning in this book all the implications and meanings that food had on the iberian peninsula between the 13th and 15th centuries are analyzed historical assessment of the region is particularly rewarding because of the quantity and variety of historical sources and because of the coexistence in medieval iberia of the three great monotheistic religions christianity judaism and islam taking both economic and sociological perspectives every aspect of food is analyzed from the commercialization of food production to its consumption and from the evolution of culinary techniques to table manners

Food Consumption in Medieval Iberia 2022-05-15

this work represents a considerably revised edition of the first comparative history of islamic and christian spain between a d 711 and 1250 it focuses on the differential development of agriculture and urbanization in the islamic and christian territories and the flow of information and techniques between them

Supplement to Commerce Reports 1919

rioja has been at the top of spanish quality wines for almost a century venerated by many this small part of the country has some of the best vines terroirs and wine makers this is a different book not many wine ratings just a few but i wanted to write something different something that would help wine lovers to know more about the rioja wines but especially about the wineries because although the soil and terroir are crucial for good wine it is equally important the people behind wine making

The Northwestern Miller 1897

this book covers the whole of geometrid moths fauna of mainland spain and portugal including the balearic islands mallorca menorca and ibiza in the systematic part the text for each species is divided into the following paragraphs wingspan diagnosis biology distribution comments the photographed colour plates illustrate all species apart from a very few where it has not been possible to obtain material most species are illustrated in several specimens the genitalia illustrations are line drawings and cover the species where the genitalias may be useful for the identification the book is the first ever to cover the entire iberian geometrid fauna it is a big step forward and a fine supplement to the geometrid moths of europe both for those with a special interest in iberian geometridae as for those with a more general interest in european species the text is fully bilingual spanish english

Bulletin 1903
