Quick Win Business Communication 2e 2023-09-29 go one day without asking a question and your life may change forever this is the challenge that dr eric dlugokinski suggests in give yourself the answers instead of asking questions although it is a popular notion that questions are an essential and integral part of rich and sensitive communication dlugokinski illustrates how there are often inappropriate or deadly questions that disrupt healthy relating those deadly questions occur when the speaker asks someone a question that they themselves need to answer deadly questions can bring chaos to parenting deferred development for children lack of intimacy to personal relationships limited efficiency and productivity in the work setting and limitations in the ability for self direction and the direction of others through case examples dlugokinski illustrates how readers can acquire greater personal understanding and acceptance a key to communicating more effectively and intimately with others as readers give themselves the answers instead of asking questions they learn to value the unique person they are live proactively and improve their relationships with others

The Ann E. Answers Guide to Communications Etiquette in the Digital Age 2013-11-19 first published in 1987 to writers and visualizers this study sets a range of expectations for comprehension and miscomprehension pointing the finger of caution that even what seems the simplest of language can be misunderstood but also calling forth their best efforts because this benchmark study shows that some communications can be much more successful than others and there is usually room for improvement to advertisers the study says that perhaps we often take comprehension too much for granted being satisfied when consumers respond with something in the general area of our message rather than in the precise area of what is meant to academicians the study gives reliable reference points for thought and dialogue among themselves and the advertising and publishing communities it underlines what intuitive editors and writers have always known but have not always practiced that words and ideas are fragile handle with care if you hope to deliver them intact from one mind to another

Give Yourself the Answers Instead of Asking Questions 2009-09 communication research asking questions finding answers covers basic research issues and processes both quantitative and qualitative appropriate for communication students with little or no previous research methods experience the text s guiding principle is that methodological choices are made from one s research questions or hypotheses this avoids the pitfall in which students learn one methodology or one methodological skill and then force that method to answer all types of questions instead of working with one methodology to answer all types of questions students come away understanding a variety of methods and how to apply them appropriately instructors and students can now access their course content through the connect digital learning platform by purchasing either standalone connect access or a bundle of print and connect access mcgraw hill connect is a subscription based learning service accessible online through your personal computer or tablet choose this option if your instructor will require connect to be used in the course your subscription to connect includes the following smartbook an adaptive digital version of the course textbook that personalizes your reading experience based on how well you are learning the content access to your instructor s homework assignments quizzes syllabus notes reminders and other important files for the course progress dashboards that quickly show how you are performing on your assignments and tips for improvement the option to purchase for a small fee a print version of the book this binder ready loose leaf version includes free shipping complete system requirements to use connect can be found here
