este texto muestra la sólida influencia de la corriente doctrinal del profesor francés león duguit 1859 1928 en la reforma constitucional colombiana de 1936 desde tres perspectivas el sistema jurídico la función social de la propiedad y los servicios públicos para el primer tercio del siglo xx en colombia al igual que sucedía en norteamérica y los países europeos que encauzaban nuestra tradición jurídica las tesis individualistas sobre el modelo de estado y el derecho habían envejecido y se planteaban nuevas interpretaciones del sistema jurídico imperante y del papel del estado en la sociedad en colombia león duguit secundaria de manera decisiva aunque no exclusiva tal proceso así las cosas la relevancia del documento radica en que logra demostrar como las teorías del autor francés fueron determinantes en la renovación del derecho público colombiano a partir de la década de los años treinta
