Black Theatre Usa Revised And Expanded Edition, Vol. 2 1996-03 this revised and expanded black theatre usa broadens its collection to fifty one outstanding plays enhancing its status as the most authoritative anthology of african american drama with twenty two new selections this collection features plays written between 1935 and 1996

The Redemptive Self 2013-01-07 how do we as americans define our identities how do our stories represent who we are our successes our failures our past our future stories of redemption are some of the most powerful ways to express american identity and all that it can entail from pain and anguish to joy and fulfillment psychologist dan p mcadams examines how these narratives in which the hero is delivered from suffering to an enhanced status or state represent a new psychology of american identity and in turn how they translate to understanding our own lives in this revised and expanded edition of the redemptive self mcadams shows how redemptive stories promote psychological health and civic engagement among contemporary american adults he reveals how different kinds of redemptive stories compete for favor in american society as presented in a dramatic case study comparing the life stories constructed by presidents george w bush and barack obama mcadams provides new insight on race and

religion in american narratives offers a creative blend of psychological research and historical analysis and explains how the redemptive self is a positive psychological resource for living a worthy american life from the spiritual testimonials of the puritans and the celebrated autobiography of benjamin franklin to the harrowing stories of escaped slaves and the modern tales in hollywood movies we are surrounded by transformative stories that can inform how we make sense of our american identity but is the redemptive life story always a good thing and can anyone achieve it while affirming the significance of redemptive life stories mcadams also offers a cultural critique through no fault of their own many americans cannot achieve this revered story of deliverance instead their lives are rife with contaminated plots vicious cycles of disappointment and endless pitfalls moreover there may be a negative side to these beloved stories of redemption they demonstrate a curiously american form of arrogance self righteousness and naiveté that all bad things can be transformed in this revised and expanded edition of the his award winning book mcadams encourages us to critically examine our own life stories the good the bad the ups the downs in order to inform how we can benefit from them and shape a better future american identity

No Plot? No Problem! Revised and Expanded Edition 2014-09-16 this text presents a comprehensive and up to date reference work on popular music from the early 20th century to the present day

The Encyclopedia of Popular Music 2011-05-27 chinese edition of predictably irrational revised and expanded edition the hidden forces that shape our decisions by dan ariely in traditional chinese distributed by tsai fong books inc

Predictably Irrational, Revised and Expanded Edition 2016-06-13 tournament poker is very different from standard ring game poker while they might appear the same from a distance there are many differences in proper strategy that are often unknown to many experienced cash game players some people excel at tournament poker this is not luck these are players who have an advanced understanding of what the proper strategy adjustments are and when they come into play it is no coincidence that the same competitors make it to final tables far more than their fair share this book explains tournament strategies that only a small number of players have mastered it assumes you already know how to play poker well but aren't knowledgeable of tournament specific concepts and when and where to use them some of the ideas discussed include the effect of going broke the gap concept how chips change value adjusting strategy to rising stakes all in strategy final table play making deals the system focusing on weaker opponents unusual plays with aces and kings moving in against the blind and much more this newly expanded version contains over 100 new pages of updated material dedicated almost entirely to today's most popular form of tournament poker no limit hold em

Tournament Poker for Advanced Players 2007 javanese shadow puppetry is a sophisticated dramatic form often felt to be at the heart of javanese culture drawing on classic texts but with important contemporary resonance in fields like religion and politics how to make sense of the shadow play as a form of world making in tall tree nest of the wind bernard arps explores this question by considering an all night performance of dewa ruci a key play in the repertoire thrilling and profound dewa ruci describes the mighty bratasena's quest for the ultimate mystical insight the book presents dewa ruci as rendered by the distinguished master puppeteer ki anom soeroto in amsterdam in 1987 the book's unusual design presents the performance texts together with descriptions of the sounds and images that would remain obscure in conventional formats of presentation copious annotations probe beneath the surface and provide an understanding of the performance's cultural complexity these annotations explain the meanings of puppet action music and shifts in language how the puppeteer wove together into the drama the circumstances of the performance in amsterdam islamic and other religious ideas and references to contemporary indonesian political ideology also revealed is the performance's historical multilayering and the picture it paints of the javanese past tall tree nest of the wind not only presents an unrivalled insight into the artistic depth of wayang kulit it exemplifies a new field of study the philology of performance

Tall Tree, Nest of the Wind: The Javanese Shadow-play Dewa Ruci Performed by Ki Anom Soeroto 2016-04-18 expert guidance on the art and science of driving secure behaviors transformational security awareness empowers security leaders with the information and resources they need to assemble and deliver effective world class security awareness programs that drive secure behaviors and culture change when all other processes controls and technologies fail humans are your last line of defense but how can you prepare them frustrated with ineffective training paradigms most security leaders know that there must be a better way a way that engages users shapes behaviors and fosters an organizational culture that encourages and reinforces security related values the good news is that there is hope that's what transformational security awareness is all about author perry carpenter weaves together insights and best practices from experts in communication persuasion psychology behavioral economics organizational culture management employee engagement and storytelling to create a multidisciplinary masterpiece that transcends traditional security education and sets you on the path to make a lasting impact in

your organization find out what you need to know about marketing communication behavior science and culture management overcome the knowledge intention behavior gap optimize your program to work with the realities of human nature use simulations games surveys and leverage new trends like escape rooms to teach security awareness put effective training together into a well crafted campaign with ambassadors understand the keys to sustained success and ongoing culture change measure your success and establish continuous improvements do you care more about what your employees know or what they do it s time to transform the way we think about security awareness if your organization is stuck in a security awareness rut using the same ineffective strategies materials and information that might check a compliance box but still leaves your organization wide open to phishing social engineering and security related employee mistakes and oversights then you need this book **Transformational Security Awareness** 2019-05-21 why do our headaches persist after we take a one cent aspirin but disappear when we take a fifty cent aspirin why do we splurge on a lavish meal but cut coupons to save twenty five cents on a can of soup when it comes to making decisions in our lives we think we re making smart rational choices but are we in this newly revised and expanded edition of the groundbreaking new york times bestseller dan ariely refutes the common assumption that we behave in fundamentally rational ways from drinking coffee to losing weight from buying a car to choosing a romantic partner we consistently overpay underestimate and procrastinate yet these misguided behaviors are neither random nor senseless they re systematic and predictable making us predictably irrational

Predictably Irrational, Revised and Expanded Edition 2010-04-27 a financial times best book of the year 2022 business a daily uk news best book of 2022 business everybody has regrets they re a fundamental part of our lives in the power of regret pink explains how we can enlist our regrets to make smarter decisions perform better and deepen our sense of meaning and purpose drawing on the largest sampling of attitudes about regret ever conducted from his own world regret survey pink identifies the four core regrets that most people have with his signature blend of big ideas and practical takeaways captivating stories and crisp humour he argues that by understanding what people regret the most we can understand what they value the most we can transform our regrets into a positive force for working smarter and living better

The Power of Regret 2022-02-03 this volume is a collection of recent articles written by david sklansky that have appeared in various publications including card player poker world and the two plus two poker strategy magazine a few have never before appeared in print most of the articles are about poker or gambling however david has recently branched out into other areas that lend themselves to his unique style of analysis and some of these essays are contained in this book from the original book poker and gaming topics include being a favorite are great players born talent versus discipline the importance of position never go broke when time is not of the essence and is your wallet fat enough life topics include what it is that makes an issue controversial coincidences some thoughts on dying legitimate grievances and crime and punishment this expanded addition also contains 32 additional essays many of which address no limit hold em essays for the expanded edition include pros versu

Poker, Gaming, & Life 2009-06 for today s poker players texas hold em is the game every day tens of thousands of small stakes hold em games are played all over the world in homes card rooms and on the internet these games can be very profitable if you play well but most people don t play well and end up leaving their money on the table small stakes hold em winning big with expert play explains everything you need to be a big winner unlike many other books about small stakes games it teaches the aggressive and attacking style used by all professional players however it does not simply tell you to play aggressively it shows you exactly how to make expert decisions through numerous clear and detailed examples small stakes hold em teaches you to think like a professional player topics include implied odds pot equity speculative hands position the importance of being suited hand categories counting outs evaluating the flop large pots versus small pots protecting your hand betting for value on the river and playing overcards in addition after you learn the winning concepts test your skills with over fifty hand quizzes that present you with common and critical hold em decisions choose your action then compare it to the authors play and reasoning this text presents cutting edge ideas in straightforward language it is the most thorough and accurate discussion of small stakes hold em available your opponents will read this book make sure you do too

Small Stakes Hold 'em 2004 with recent changes in social and political landscapes around the world the focus of preventive counter terrorism has shifted in many places from government to civil society the contributors analyze the different approaches of civil society organizations in preventing and countering violent extremism in various countries in south and southeast asia the cases examined include malaysia indonesia myanmar sri lanka and bangladesh the key emphasis is on understanding the context within which each example was initiated and the

factors that determined their relative success or failure the evidence from these cases suggests that much can be achieved through empowering communities to engage in aiding both the indoctrinated and those who pose the greatest risk of radicalization a valuable contribution to the literature on preventing and countering violent extremism

Civil Society Organizations Against Terrorism 2021-03-25 originally published in 2005 this second expanded edition of ethics for behavior analysts is a valuable resource in preparing behavior analysts for the difficult task of providing quality services specifically this book is useful to behavior analysts who are working in the clinical educational and rehabilitative fields with clients who are developmentally disabled are on the autistic spectrum or have a variety of moderate to severe behavior problems that require treatment by experts using the latest evidence based methods the content is organized around the behavior analyst certification board guidelines and contains detailed ethical scenarios designed to get readers thinking about potential issues and dilemmas that may arise within their work responses to case scenarios are found at the end of each appropriate chapter along with valuable tips found throughout the text
