directly into the topics that interest you the most part 2 basic english  
indonesian dictionary the index in the second half of the book can be used as a  
basic indonesian dictionary to look up words you have learned but can't  
remember or learn new words you need part 3 basic indonesian english dictionary  
easy to use and with just the right amount of words this third part finishes  
off with a second index that allows you to look for indonesian words and  
directly find the english translation how to use this indonesian vocabulary  
book not sure where to start we suggest you first work your way through the  
verbs adjectives and phrases chapters in part one of the book this will give  
you a great base for further studying and already enough vocabulary for basic  
communication the indonesian dictionaries in part two and three can be used  
whenever needed to look up words you hear on the street english words you want  
to know the indonesian translation for or simply to learn some new words some  
final thoughts vocabulary books have been around for centuries and as with so  
many things that have been around for some time they are not very fashionable  
and a bit boring but they usually work very well together with the basic  
indonesian dictionary parts this vocabulary book is a great resource to support  
you throughout the process of learning indonesian and comes in particularly  
handy at times when there is no internet to look up words and phrases this  
dictionary is meant primarily as a tool for english speakers who need to know  
indonesian and who deal with indonesian writings the aim has thus been to give  
comprehensive coverage to forms a foreigner might run across in indonesian  
readings from this era or from the past but excluding classical malay  
literature much of the indonesian written production written and otherwise  
contains slangy colloquial and regional forms and we have not excluded such  
forms on the other hand we have confined the listing of dialectical forms only  
to those likely to be widely known the dictionary should also be useful to  
indonesians who wish to learn english equivalents of indonesian words but it  
has not been developed primarily for that purpose because many english words  
can only be defined by a sequence of indonesian words from introduction it's  
never a good idea to be overly reliant on technology while traveling look up  
words quickly and easily with this great little indonesian dictionary tuttle  
mini indonesian dictionary is ideal for any application where a handy and  
portable dictionary is required intended for use by tourists students and
