Saving Sammy the Sea Skate 2013-10-20

when sammy the skate swims too close to shore he ends up stranded on the beach how will sammy get back to his home in the ocean learn about sammy a very unique looking fish and his adventures also learn about sammy s exciting ocean home and some of the other creatures who share it with him the first in a taking care of the beach series

Shadows in the Sea 1996

a look at the way frightening but fragile sharks skates and rays live their lives z99 a species by species account of the worlds principal shark types

Fish atlas of the Celtic Sea, North Sea, and Baltic Sea 2023-09-14

the atlas presents a unique set of abundance data to describe the spatial depth size and temporal distribution of demersal and pelagic fish species over an extensive marine area together with accounts of their biology a large number of pictures graphs and distribution maps illustrate the text by largely avoiding or at least explaining scientific terms and providing extensive references the book should be useful for both laymen and scientists the quantitative information on some 200 fish taxa is derived from 72 000 stations fished by research vessels during the period 1977-2013 the area covers

the northwest european shelf from west of ireland to the central baltic sea and from brittany to the shetlands although the surveys extend beyond the shelf edge only taxa reported at least once in waters less than 200 m are included typical deep water species and typical fresh water species are excluded we hope this publication will contribute to gaining a better understanding of the ocean ecosystems

Steller Sea Lion Protection Measures 2001

dorf is all about skateboarding and so far that s worked out fine but now that he s in a new city the terrain has changed he s no longer free to skateboard where he wishes school is more difficult and his passion for skateboarding garners him the nickname and reputation of a freak with daring stunts he gains the grudging respect of local troublemakers but he needs to tap into another kind of courage to effect real change also available in french

Skate Freak 2008-10-01

ice skates made from animal bones were used in europe for millennia before metal bladed skates were invented archaeological sites have yielded thousands of examples some of them dating to the bronze age they are often mentioned in popular books on the vikings and sometimes appear in children s literature even after metal skates became the norm people in rural areas continued to use bone skates into the early 1970s today bone skates help scientists and re enactors understand migrations and interactions among ancient peoples this book explains how to make and use them, and
