the thumbnail is going to be fucking insane for winners finals genesis 9 mkleo joker vs muteace peach 2019 baby

## ***what are the hardest level 9 cpu characters in your opinion Apr 09 2023***

in honor of me getting bodied hard by a level 9 cpu kazuya last night who would you say are the hardest level 9 cpus in your experience

## **how hard is a level 9 cpu to the average player r smashbros *Mar 08 2023***

i can 3 stock level 9 cpu s easily depending on the character but sometimes i do struggle because of my screwups they are good for practicing your precision for landing all your attacks on an opponent level 9 cpu s can combo you if you let your guard down they also edgeguard

## **team melee it on me smashwiki the super smash bros wiki *Feb 07 2023***

the melee it on me team provides a retrospective on the meteoric comeback of the melee community over the past year from the game s return at evo 2013 to the highly acclaimed smash brothers documentary from nintendo s historic recognition of the scene to the new found teams and sponsors of today

## **how do you feel about lvl 9 cpus in ultimate smashboards *Jan 06 2023***

fight a lvl 9 jigglypuff and watch them endlessly float back and forth in and out of your range above your head like a laser pointer in front of a cat for the entire match not fun or hard just annoying i believe lvl 7 is the highest level they go before they start reading your inputs

## **exploring the japanese melee website r smashbros reddit *Dec 05 2022***

this is actually the most complete smash bros website because like the dojo this site details how to unlock everything contains all trophies with pictures all end cards classic adventure all star explanation for all bonuses and their points the game credits and other secret things
