Production Networks in Asia and Europe

2004-02-24

This book explores Japanese investment in Europe and Southeast Asia in relation to the automobile industry. In part I, the authors examine industrial organization and policy issues in Thailand, Malaysia, the Philippines, and Indonesia, looking at Japanese investment and the relative policy successes and failures in these host countries. Part II looks at skill formation systems in the Japanese-dominated automobile industry in Southeast Asia, and in part III, the authors focus on the EU and the very different influence of Japanese investment.
