Origin & Ancestors Families Karle & Kaiser of the German-Russian Volga Colonies 2006-04 history has remembered carl furillo as an opponent of jackie robinson becoming a member of the brooklyn dodgers despite that being untrue this biography sets the record straight while also detailing furillo s contributions as a clutch hitter and an outstanding right fielder his angry departure from the team his hearing before the commissioner of baseball and his life after the sport

Carl Furillo, Brooklyn Dodgers All-Star 2014-01-10 carl wieman s contributions have had a major impact on defining the field of atomic physics as it exists today his ground breaking research has included precision laser spectroscopy using lasers and atoms to provide important table top tests of theories of elementary particle physics the development of techniques to cool and trap atoms using laser light particularly in inventing much simpler less expensive ways to do this the understanding of how atoms interact with one another and light at ultracold temperatures and the creation of the first bosecoeinsteins condensation in a dilute gas and the study of the properties of this condensate in recent years he has also turned his attention to physics education and new methods and research in that area this indispensable volume presents his collected papers with annotations from the author tracing his fascinating research path and providing valuable insight about the significance of the works sample chapter s introduction 197 kb contents precision measurement and parity nonconservation laser cooling and trapping bosecoeinsteins condensation science education development of research technology readership graduates postgraduates and researchers in atomic physics laser physics and general physics

Collected Papers of Carl Wieman 2008 karl barth repeatedly spoke of the centrality and unparalleled significance of the resurrection of jesus christ for his theological understanding yet a clear grasp of its nature and scope in barth continues to find little expression in scholarly literature this book seeks to draw out the theological substance and systematic implications of barth s thinking on this theme barth s mature understanding of the resurrection concentrates upon the transition from the objective achievement of reconciliation culminating in the crucifixion and death of jesus christ to its subjective appropriation in the life of the believer all within a thoroughly christological context the resurrection may be described as the way of the crucified lord to others and is for barth the essential and efficient link between christology proper and the extension of christ s saving work to others Minutes of the Annual Conferences of the Methodist Episcopal Church 1883 early christian writers preferred to speak of the coming resurrection in the most bodily way possible the resurrection of the flesh twentieth century theologian karl barth took the same avenue daring to speak of humans eternal life in rather strikingcorporeal terms in this study nathan hitchcock pulls together barth s doctrine of the resurrection of the flesh anticipating what the great thinker might have said more systematically in volume v of his church dogmatics provocatively hitchcock goes on to argue that barth s description of the resurrection as eternalization as manifestation as incorporation bears much in common with some unlikely programs and contrary to its intention jeopardizes the very contours of human life it hopes to preserve in addition to contributing to barth studies this book offers a sober warning to theologians pursuing eschatology through notions of participation

"Where to Stop." 1893 educator lawyer editor inventor entrepreneur and civic booster carl magee helped shape new mexico and oklahoma in the years after gaining statehood garnering fame along the way jack mcelroy s fascinating biography of citizen carl tells the story of a man whose exploits were as diverse and complex as the american southwest he loved magee purchased the albuquerque journal from the syndicate responsible for reelecting senator albert bacon fall soon to become secretary of the interior magee battled the republican machine in new mexico a fight that sent fall to prison in the teapot dome scandal and saw magee repeatedly tried on charges of criminal libel contempt of court and even manslaughter forced to sell the journal he then started the newspaper that would become the albuquerque tribune magee s fame prompted scripps howard to buy the tribune retaining him as editor and adopting his motto give light and the people will find their own way the company later transferred magee to its struggling paper in oklahoma city there he solved the city s downtown parking problem by inventing the parking meter now mostly forgotten magee s legacy lives on and many of the issues he confronted

press freedom gun violence public corruption and demagoguery remain relevant today

The Resurrection in Karl Barth 2007 max reger 1873 1916 is perhaps best known for his organ music this quickly assumed a prominent place in the repertory of german organists due in large measure to the efforts of regers contemporary karl straub 1873 1950 the personal and collegial relationship between the composer and performer began in 1898 and developed until regers death by that time straub had established himself as an important artist and teacher in leipzig and the central authority for the interpretation of regers organ music the reger straub relationship functioned on a number of levels with decisive consequences both for the composition of the music and its interpretation over a period fraught with upheaval on sociopolitical religious and aesthetic fronts this book evaluates the significance of the relationship between the composer and organist using primary source materials such as autograph performing manuscripts reviews programmes letters and archival sources from contemporary organ building the result is a much enhanced understanding of reger in terms of performance practice and reception history and a re examination of straub and more broadly of leipzig as a musical centre during this period

Karl Barth and the Resurrection of the Flesh 2013-07-25 the essays in this volume evaluate and build on barth s theology from the perspective of pentecostal theology and thereby contribute to constructive pentecostal systematic theology by using barth as a valuable dialogue partner at present a theological conversation of pentecostals with barth does not exist and this volume fills this void more widely it will aid all those who seek a convergence of the word and the spirit in theology barth and pentecostals share some important common theological interests barth s mature theology has a decidedly christological emphasis likewise historically pentecostals have often spoken of a full gospel with an emphasis on christ as savior healer baptizer in the spirit and soon and coming king with some pentecostal traditions also adding a fifth emphasis on christ the sanctifier furthermore near the end of his life barth anticipated the possibility of a theology of the third article a theology where the holy spirit would dominate and be decisive the realization of barth s dream is no doubt coming to pass in part through the development of pentecostal theology in as much as pneumatological theology exploring how pneumatology affects supplements and might reform other doctrines is an emerging paradigm for pentecostal theology

Citizen Carl 2024-04-01 cmmi 3 peer cmm cmmi

Max Reger and Karl Straube 2017-07-05 throughout his life peters depicted the ordinary places and people of america from rochester to rockport peters made an amazingly coherent group of fascinating masterful american pictures
