worms and other pests the book also incorporates the latest standards and guidelines for the welfare of horses in this remarkable book frederic a specialist in liberty and ground work and magali a talented dressage rider at the grand prix level combine efforts and share the secrets of the breathtaking relationships they have cultivated over the course of their lives with horses they tell the story of templado the gorgeous but rebellious stallion who demanded they question all they had learned as horsemen and look at in a whole new light what it means to train horses it was this tempestuous character that taught them that the process of building a relationship with a horse can be on more equal footing than most would dream possible it is with this life altering lesson in mind that frederic and magali now explain their six golden principles these include how you can become a safe haven the most important being in your horse s life while ensuring he gets the leadership he craves and deserves and how to establish acceptable limits of behaviour as well as respect without ever succumbing to anger or using force they describe how to read horse behaviour so you can better understand and communicate with your equine partner as an individual plus you ll see what it means to be patient and give your horse a say in his own training and just how rewarding the results can be the tale of josephine rose a horse s magical neigh josephine rose is a noble clydesdale horse that moves from canada to the rolling hills of iowa when she meets the other horses they realize how different she is although she wants to make new

friends some of the other horses push her away and won't let her play she is treated like an outsider soon a retired race horse named spaha demonstrates courage among the horse herd and shows the other horses on the farm that sharing being kind and accepting others from faraway places are very important qualities for making friends kristen halverson kristen is an academic scholar of strategic leadership and holds a master's degree from leTourneau university kristen specializes in facilitating innovative leadership classes that focus on cultural intelligence ethics and organizational development in addition kristen serves as a substitute teacher for grades k-12 kristen has been riding and taking care of horses since she was very young she has also served as an equine welfare advocate and worked in the veterinary field kristen plans to donate a portion of all book proceeds to the university of kentucky gluck equine research center kathy jurek an accomplished watercolorist with a bachelor of art in studio art graphic design kathy's designs range from fun and colorful to traditional and feminine she lives in omaha nebraska with her husband and two children the tale of josephine rose a horse's magical neigh is the sixth children's book she has illustrated a treat insightful refreshing a must have not only is sajna's work a valuable historical resource it makes for a compelling read as well american history there has to be someone left to tell the tale little did the legendary war chief crazy horse know when he spoke these words in battle that it was his tale that people would be telling long after his death now author mike

sajna brings the renowned warrior back to life in this book about his epic struggle to save his culture and homeland amid the westward movement of white settlers. Sajna follows Crazy Horse from his days as a young boy chasing down wild horses to his later years as one of the bravest of the brave and includes new views on his role in the battle of Little Bighorn and his eventual surrender and murder. Using an extensive collection of historic records, Crazy Horse is one of the most accurate accounts of the great Oglala chief, separating the facts from the many myths that have been passed down by other writers.
