atkinson december 5 1862 november 22 1932 was an attorney merchant publisher and author as well as an occultist and an american pioneer of the new thought movement he is also known to have been the author of the pseudonymous works attributed to theron q dumont and yogi ramacharaka excerpt from the introductory we all know that in order to accomplish a certain thing we must concentrate it is of the utmost value to learn how to concentrate to make a success of anything you must be able to concentrate your entire thought upon the idea you are working out do not become discouraged if you are unable to hold your thought on the subject very long at first there are very few that can it seems a peculiar fact that it is easier to concentrate on something that is not good for us than on something that is beneficial this tendency is overcome when we learn to concentrate consciously if you will just practice a few concentration exercises each day you will find you will soon develop this wonderful power though he wrote more than 100 books during his lifetime theron q dumont is largely a forgotten entity today in fact theron q dumont is not even his real name it is a pen name adopted by william walker atkinson an american polymath who began his career as a grocer s assistant in nineteenth century baltimore studied law and went on to amass fame and fortune as a successful legal luminary however disaster struck when he suffered a nervous breakdown due to over strain and he lost everything that he had earned he made an incredible comeback as a religious leader and follower of the new thought philosophy william atkinson wrote under several pseudonyms like yogi ramacharaka thomas sheldon magus incognito swami panchadasi and many others theron q dumont was one such pen name that he used to create the persona of a french writer who talks about the powers of the mind memory enhancement the will and using the power of personal magnetism to achieve one s ends it was presumed that he adopted these pseudonyms to protect his legal career the power of concentration was first published in chicago in 1918 as a pioneering self help book it deals with developing the faculty of deep concentration to achieve your personal and professional goals bending the entire power of your mind and focusing it on the thing you want to achieve apparently creates cosmic energies that will manifest the goal for many modern day readers this may sound extremely familiar current theories of coaching mentoring and the plethora of how to books that crowd bookstore shelves all contain ideas like this the power of visualization self dialog self awareness elimination of negative thoughts etc are all presented in the power of concentration this is volume eleven of the complete collection of works by prolific and enlightened author william walker atkinson it collects the first set of books of the theron q dumont 2 volumes covering the subjects of personal magnetism the master mind and the solar plexus the books included are the art and science of personal magnetism the advanced course in personal magnetism the master mind the solar plexus or abdominal brain the power of concentration large print theron q dumont it is of the utmost value to learn how to concentrate to make the greatest success of anything you must be able to concentrate your entire thought upon the idea you are working on the person that is able to concentrate utilizes all constructive thoughts and shuts out all destructive ones the greatest man would accomplish nothing if he lacked concentration this carefully crafted ebook master mind the key to mental power development and efficiency is formatted for your ereader with a functional and detailed table of contents find out what is the difference between a master mind and any other form of mind how to achieve the true mental power and efficiency the ordinary mind is a mere creature of circumstances driven hither and thither by the winds of outside forces and lacking the guidance of the hand on the wheel and being without the compass while the master mind proceeds in the true course mapped out by intelligence and determined by will the master mind is consciously deliberately and voluntarily built up cultivated developed and used whereas the ordinary mind is usually unconsciously built up cultivated and developed by the force and power of impressions from the outside world and is usually employed and used with little or no conscious direction by its own will the ordinary mind is like a dumb driven animal while the master mind is like the strong willed intelligent masterful man william walker atkinson 1862 1932 was a prolific writer his works treat themes related to the mental world occultism divination psychic reality and mankind s nature they constitute a basis for what atkinson called new psychology or new thought an attractive manner is assured if we will avoid the following sarcasm impertinence ridicule hot temper profanity roughness brutality vulgarity a loud voice and grouchiness from chapter iii the development of your magnetic power the new thought movement of the turn of the twentieth century combined christian spirituality with the paranormal in order to give practical expression to the forces of the universe or so its proponents believed one of the most influential thinkers of this early new age philosophy promises here in this 1914 book to share in a condensed non mystical style all i have been able to learn of this wonderful power of personal magnetism mysteries revealed include the secrets of being naturally magnetic the development of your magnetic power how to use your personality to win the affection of the opposite sex how to cultivate success how to protect yourself against injurious thought attraction how to make yourself a great

power in the world a formula for creating happiness today's hunger for self help personal empowerment and pop spirituality has its origins in a craving for self improvement that is a century old as this captivating little book demonstrates also available from cosimo classics the art and science of personal magnetism the secrets of mental fascination by theron q dumont american writer william walker atkinson 1862 1932 aka theron q dumont was born in baltimore and had built up a successful law practice in pennsylvania before professional burnout led him to the religious new thought movement he served as editor of the popular magazine new thought from 1901 to 1905 and as editor of the journal advanced thought from 1916 to 1919 this is volume twelve of the complete collection of works by prolific and enlightened author william walker atkinson it collects the second set of books of the theron q dumont 2 volumes covering the subjects of self healing the power of concentration and the development of memory the books included are mental therapeutic the power of concentration practical memory training it is a strange and almost amusing fact that there should be at the same time on the part of the general public such a general acceptance of the existence of personal magnetism on the one hand and such an ignorance of the nature of this wonderful force on the other hand in short while everyone believes in the existence of personal magnetism scarcely anyone possesses knowledge of the real nature of the same much less a working knowledge of its principles of application this book gives you the key to the secret of personal magnetism but it will still remain up to you to determine just what degree of success you will attain the best tools and instructions as to how to use them are provided but you will have to do the rest yourself success must and will be yours if you will follow the instructions carefully persistently and perseveringly the art and science of personal magnetism is a work from the new thought movement by author theron q dumont dumont as one of the top thinkers of new thought wrote this work to help individuals to successfully use their mental abilities to further develop a powerful personality and radiate a dominating influence over others the art and science of personal magnetism is highly recommended for those who are interested in reading a key writing from the new thought movement and those who are interested in the writings of theron q dumont when reflection dawns in the mind there arises a sense dim and uncertain at first of a calmer wiser and loftier life and as the stages of introspection and self analysis are reached this sense increases in clearness and intensity so that by the time the first three stages are fully completed a conviction of the reality of such a life and of the possibility of attaining it is firmly fixed in the mind from the shining gateway we all know that in order to accomplish a certain thing we must concentrate it is of the utmost value to learn how to concentrate to make a success of anything you must be able to concentrate your entire thought upon the idea you are working out success is assured when you are able to concentrate for you are then able to utilize for your good all constructive thoughts and shut out all the destructive ones it is of the greatest value to be able to think only that which will be beneficial from the power of concentration dive deeper into the hidden powers of meditation and concentration written by the new thought legends james allen and william walker
