this broad ranging resource is for librarians who want to begin a new program or incorporate healthy living into an existing one from garden plots to cooking classes to storywalks to free yoga more and more libraries are developing innovative programs and partnerships to encourage healthy living libraries increasingly provide health and wellness programs for all ages and abilities and healthy living at the library is intended for library staff of all types who want to offer programs and services that foster healthy living particularly in the domains of food and physical activity author noah lenstra who has extensive experience directing and advising on healthy living programs first outlines steps librarians should take when starting programs highlighting the critical role of community partnerships the second section of the book offers detailed instructions for running different types of programs for different ages and abilities a third section includes advice on keeping the momentum of a program going and assessing program impacts lenstra offers tips on how to overcome challenges or roadblocks that may arise an appendix contains resources you can adapt to get these programs off the ground including waivers of liability memoranda of understanding and examples of strategic plans and assessment tools life was not easy in the twelfth century for the latter sons of even the wealthiest of men as king john put it for the fourth sons even of a king are among the most insignificant of god s creatures in those days the

first born inherited everything a late arrival had a choice of becoming a hearth son dependent upon the largesse of his family or of seeking his fortune through his own abilities and talents the fourth son is the dramatic saga of a man who chose the latter path william marshall succeeded so well in fact that he far surpassed his own family standing and left his mark on history serving eventually as regent of england this imaginative version is based on the life of a real flesh and blood man the feats of the great knight william are recorded in history throughout the tumultuous reign of the fiery plantagenets including the lusty henry ii and his sons the dashing couer de lion and the treacherous john maintaining his position and his head in the fickle court of kings was a constant struggle what with the sibling rivalry of the king s sons and the constant friction between the english and the french who wanted nothing less than to shove the angevins back across the channel but the besieged knight william found his greatest challenge in his arranged marriage sight unseen to a beautiful irish princess some twenty years his junior to his dismay he found his knightly prowess of no use in his relationship with the head strong isabel de clare for beneath his fierce warrior s breast there beat a tender heart with a conscience a distinct disadvantage in those days winner of the samuel french morse poetry prize douglas doc mcbride dares you to step outside your door or go to a public area and find someone who does not have their face buried in a phone or some form of global information device that s just one of his many observations in this book that reveals nuggets of wisdom such as the world and how it spins on a daily basis has changed and mostly not for the good younger generations are not taught the respect pride and the drive that we were growing up today s parenting skills with the shunning of corporal punishment leave a lot to be desired libraries toys

that were interactive and not on a screen cars without computers that you could actually fix in your driveway and three channels on the tv these are a few of the things that the author believes built a strong generation learn lessons from the past and get to the bottom of where we ve gone wrong with the insights and observations in living at the zoo the outer banks national scenic byway received its designation in 2009 an act that stands as a testament to the historical and cultural importance of the communities linked along the north carolina coast from whalebone junction across to hatteras and ocracoke island and down to the small villages of the core sound region this rich heritage guide introduces readers to the places and people that have made the route and the region a national treasure welcoming visitors on a journey across sounds and inlets into villages and through two national seashores barbara garrity blake and karen willis amspacher share the stories of people who have shaped their lives out of saltwater and sand the book considers how the outer banks residents have stood their ground and maintained a vibrant way of life while adapting to constant change that is fundamental to life where water meets the land heavily illustrated with color and black and white photographs living at the water s edge will lead readers to the proverbial porch of the outer banks locals extending a warm welcome to visitors while encouraging them to understand what many never see or hear the stories feelings and meanings that offer a cultural dimension to the byway experience and deepen the visitor s understanding of life on the tideline in this second book in his scratch flat chronicles john hanson mitchell tells how he set out to recreate henry david thoreauÕs two years at walden pond in a replica of thoreauÕs cabin mitchell lived off the grid without running water or electricity in a tiny house not half a mile from a major highway and in the

shadow of a massive new computer company nevertheless his contact with wildlife the changing seasons and the natural world equaled and even surpassed thoreau's hugely popular with the international community of thoreau followers when it was first published this book will now be essential reading for the growing community of people who are interested in living in a tiny house fully experiencing the natural world or finding self sufficiency in an increasingly plugged in society the karen are one of the major ethnic minority groups in the himalayan highlands living predominantly in the border area between thailand and burma as the largest ethnic minority in thailand they have often been in conflict with the thai majority this book is the first major ethnographic and anthropological study of the karen for over a decade and looks at such key issues as history ethnic identity religious change the impact of government intervention education land management and gender relations this book presents a detailed exploration into the centre for alternative technology cat an enterprise concerned with finding and communicating sustainable ways of living established in wales in 1973 playing a central role in the global green network this study examines cat s history and context for creation its development over time and its wider influence in the progression of green ideas at the local national and international levels based on original archival and ethnographic research this book provides the first in depth analysis of cat and uses the case study to explore wider issues of sustainability and environmental communication it situates the centre within current environmental and political discourse and emphasises the relevance and reach of cat s practical solutions and creative educational programme these practical solutions to the destruction of the environment of human activity are increasingly vital in today s context of climate change loss

of biodiversity and rising levels of pollution it debates the spectrum of attitudes between environmentalism and ecologism evident at cat and in broader conversations surrounding sustainability woven throughout the text the author makes clear what we can learn from cat s almost 50 years of experiments and experiences from his first hand account of working at the site this will be a fascinating and revealing read for academics researchers students and practitioners interested in all aspects of sustainability and environmental issues squires english virginia tech and talbot spanish roanoke college collected frieda laurence s letters for years before realizing that they could add considerable insight to a biography of her famous writer husband the result though focusing on him turned out to be a biography of them as a couple pulling her out from his shadow annotation copyrighted by book news inc portland or relays the events that took place in october 1962 at a james brown performance at the apollo giving background on the cold war tensions of the time period from the allman brothers band to frank zappa and through the interweaving lives of bill graham janis joplin grace slick and carlos santana author john glatt chronicles the story of the 1960s rock music colossus that stood astride the east and west coasts graham s twin temples of rock the fillmore east and fillmore west live at the forbidden city offers a singular look at the rapidly evolving chinese popular music scene as seen through the eyes of one of the first progressive western musicians to perform extensively in both china and taiwan in the 1980s and 90s american author and musician dennis rea played concerts in venues ranging from sports arenas to underground nightclubs to tv broadcasts frequently under bizarre circumstances and the constant threat of harassment by communist party authorities spiced with informative reflections on chinese music and culture rea

interweaves depictions of his musical adventures with an insider's look at China's emergent rock music phenomenon and an eyewitness account of the violent civil uprising in Chengdu at the same time as the events at Tiananmen Square. Vancouver's Commodore Ballroom is like New York's CBGB's and Los Angeles's Whiskey a Go Go, one of the most venerated rock clubs in the world. Originally built in 1930, it's hosted a who's who of music greats before they made it big: The Police, The Clash, Blondie, Talking Heads, Nirvana, New York Dolls, U2, and more recently, Lady Gaga and The White Stripes. Filled with never-before-published photographs, posters, and paraphernalia, *Live at the Commodore* is a visceral, energetic portrait of one of the world's great rock venues. Aaron Chapman is a musician and journalist and the author of *Liquor Lust* and *The Law*. 1892, 1894, 1894, 1896 include also the transactions of the second and fourth annual sanitary conventions held at San José, April 16, 1894, and Los Angeles, April 20, 1896. *Granrodeo* duty and career. Captain Thomas Moberly of his Majesty's Navy prizes them above all, so why is he tempted to relinquish both for Dinah Templeton? Though Dinah seems sweet and charming, the difference in station between an East Florida Belle and the son of an Earl is too marked to ignore. *Effervescent* New Yorker best books of 2022 so far bursts with colour and incident. *FT Best Books of Summer* vols 65-96 include *Central Law Journal's International Law List*, an in-depth look at the Indians of North America. Each tribe is listed in a chapter, from their location and descriptions of each tribe is listed in the book.

Healthy Living at the Library **2020-06-18**
