The South American Tour 1874 0000 00 0000000000000000000000000000

A Tour Through the Whole Island of Great Britain 1827 one of south africa's finest batsmen in the first half of the twentieth century eric rowan 1909 1993 will always be remembered for his cocky and fiercely combative approach to every match in which he played a highly courageous player he was prepared to take on lindwall and miller at their fastest without the benefit of either gloves or box to him the very thought of a helmet and other modern protective gear would have been anathema no stranger to controversy he sat down on the pitch when a lancashire crowd barracked him for slow scoring was controversially omitted from south africa's 1947 tour of england and had his test career ended by the south african cricket association for reasons other than cricket using a variety of sources and photographs from the brian bassano collection rick smith describes the career of this south african whose approach to cricket would have been very much at home in the modern era in his test career lasting from 1935 to 1951 eric rowan scored 1 965 runs at an average of 43 66 in 1951 aged 42 he made 236 against england at leeds which was then south africa's highest individual score in a test match he is still the oldest cricketer to score a test match double century durable to the end eric's career ended in the 1953 1954 season when he was not far short of his 45th birthday

A tour in France, Savoy, northern Italy, Switzerland, Germany and the Netherlands, in ... 1825 2020-09 cecil john rhodes once said he had only met two creators in south africa himself and james douglas logan the scottish born founder of matjiesfontein logan immigrated to south africa in 1877 at the age of nineteen and almost immediately began amassing a fortune through business politics and his high profile association with that most favoured of imperial pastimes cricket empire war cricket in south africa explores in detail how matjiesfontein was created and how logan developed this little karoo town into a renowned health resort attracting the rich and famous including south african novelist olive schreiner and england cricketer george lohmann but above all this is the untold story of how james logan was instrumental in developing the game of cricket in south africa at a time when the country was heading towards war with the british empire in empire war cricket in south africa readers will learn how one of the first international cricket matches between south africa and england took place at matjiesfontein explore the controversial 1901 south african cricket tour to england in the midst of the anglo boer war read the amazing story of how logan once had the captain and manager of england's cricket team arrested as they boarded their ship home and discover logan's close relationship with rhodes and how their shady dealings brought down the premier's first government illustrated throughout with rare photographs and documents empire war cricket in south africa is a unique social and political history of the workings of the british empire in south africa during the late nineteenth century a well researched and fascinating biography of the man who gave us matjies fontein and an entertaining and at times unbelievable story of cricket's origins in south africa Nimrod's Hunting Tour in Scotland and the North of England; with the Table-talk of Distinguished Sporting Characters, Etc 1886 in this memoir michael clements recounts growing up in the early days of stock car racing from 1957 through 1965 his father louie travelled the nascar circuit bringing his wife and five children along to every race owner and crew chief for champion driver rex white louie introduced many mechanical innovations still used in nascar today and his children grew up on the road between races befriending many racing legends along the way clements memoir is full of stories about nascar s early era and the men and women who built the sport it includes a wealth of never before seen photographs from his personal collection

A Tour in France, Savoy, Northern Italy, Switzerland, Germany and the Netherlands, in the Summer of 1825: Including Some Observations on the Scenery of the Neckar and the Rhine 1886 popular science gives our readers the information and tools to improve their technology and their world the core belief that popular science and our readers share the future is going to be better and science and technology are the driving forces that will help make it better

1835 for nearly 70 years nascar has been the premier sanctioning body for organized stock car racing in the united states during that

time the sport has grown from a southern regional series to a global brand with its races telecast in more than 100 countries around the world p p author john close details the earliest races of the 20th century that laid the groundwork for the formation of nascar through today s modern events at mega race stadiums across the country presented in an easy to read decade by decade fact format this books allows you to spend a couple of minutes or hours at a time learning about the cars and trucks personalities tracks and milestones of nascar america s most popular and attended form of motorsports close a longtime nascar journalist author team member and race day spotter also includes dozens of rare and informative photos that take you from the famed beach course at daytona to the high banks of today s nascar tracks a must read for any nascar stock car racing and american motorsports fan the book will provide hours of interesting entertainment as it uncovers rare information and statistical anomalies p p1 margin 0 0px 0 0px 0 0px 0 0px font 12 0px arial

A Canadian Tour 1925 le tour de france en aéroplane est un récit écrit par henry de graffigny publié en 1912 dans cet ouvrage graffigny relate son expérience de réaliser un tour de france en aéroplane une aventure audacieuse pour l'époque À travers ses écrits il partage ses observations sur les paysages les villes et les populations rencontrées lors de son voyage aérien à travers la france graffigny décrit également les défis techniques et les dangers auxquels lui et son équipage ont été confrontés pendant leur périple ce récit offre ainsi un témoignage précieux sur les débuts de l aviation et sur la manière dont elle a transformé la perception de l espace et des voyages au début du xxe siècle A Canadian Tour 2003-05-20 popular mechanics inspires instructs and influences readers to help them master the modern world whether it s practical diy home improvement tips gadgets and digital technology information on the newest cars or the latest breakthroughs in science pm is the ultimate guide to our high tech lifestyle
