practical mysticism is a book written by evelyn underhill and first published in 1915 in this book underhill sets out her belief that spiritual life is part of human nature and as such is available to every human being underhill s practical mysticism is secular rather than religious since it is a natural human activity

Print Restoration and Picture Cleaning

2022-10-27

excerpt from print restoration and picture cleaning an illustrated practical guide to the restoration of all kinds of prints together with chapters on cleaning water colours print fakes and their detection anomalies in print values and prints to collect in the ordinary way a few years will suffice to produce spots on an engraving or a drawing particularly if the wall be at all inclined to damp ness moreover unless remedies are applied the print or the drawing will go from bad to worse and ultimately rot from this it will be deduced that it is as well to remedy matters as quickly as possible if the instructions given in this work are carefully followed they should enable an average intelligent individual to deal with his own prints and pictures in such a manner as to improve their appearance and give to them a fresh lease of life again it may very well happen that the lover of art may find in some obscure quarter a picture or an engraving that owing to some blemish appears to be worthless to be able to deal with such blemishes to remove dirt varnish c and to remedy other defects should provide not only a very pleasurable employment

but oftentimes a very profitable one for calling in outside assistance with its attendant expense will be avoided throughout the work will be found a fairly comprehensive list of such conditions as well as will at once denote and picture cleaning about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
