## **Power Play: Emily and the Priest 2012-06-22**

from new york times bestselling and award winning author selena kitt over 2 million books sold selena kitt s power play where those uber hot alpha authority figures take full advantage of their status to strike up all sorts of sexy naughtiness with their subordinates her first year away from home at catholic college has been a disaster for shy awkward emily falling in with the wrong crowd just trying to fit in with the other girls when father mark the campus psychologist takes her under his wing she s more than grateful and under his tutelage emily blossoms into ripe luscious fruit just ready to be plucked by the time father mark realizes his mistake it s too late emily has fallen for him and he for her god help them both warning this title contains hot steamy nobody writes it like selena kitt sex between alpha authority figures and their subordinates excerpt how are you doing otherwise how are classes she smiled at his interest father mark was always so kind good thanks for loaning me that book on catholic saints it was just what i was looking for so are you going to tell me which saint you were researching he sat back tenting his fingers and looking at her sometimes when he looked at her she felt almost naked like he was seeing not just through her clothes but fully into her somehow oh it wasn t for a class she flushed it was just for me he cocked his head at her which one called to you saint lucy there was no point not telling him she knew he d get it out of her eventually he had a way of making her want to confess things even when she wasn t in the confessional he nodded just waiting somehow knowing she was going to continue and she did she s the patron saint of the blind i had a dream that i was going blind he raised his eyebrows scary no actually i dreamed i was going blind but i could see everything i was just seeing it from inside she glanced at him seeing the quizzical look on his face it s hard to explain i think i understand he leaned forward putting his elbow on his desk cupping his chin in his hand she could see the dark hairs covering his forearm do you know how lucy lost her sight yes she plucked out her own eyes and sent them to the man who admired them why do you think emily shrugged well the book said it was because she wanted to give her heart to god not to a man so when her admirer said she had beautiful eyes she plucked them out to prove that her beauty wasn t external and she was devoted only to god why do you think she did it i think emily looked up meeting his eyes fully i think she was afraid afraid of what father mark looked surprised doesn t it take a great deal of courage to pluck out your own eyes i think it was cowardice she bit her lip watching his reaction i think she was afraid of love father mark stood coming around to the other side of the desk to lean against it in front of her but lucy loved god yes emily agreed looking up up into his handsome face but she was afraid of men of the way they looked at her admired her i think she wanted to make herself ugly so no one would notice her he seemed to contemplate this and she noted the way his gaze fell on her hemline where she was playing with the edge of her uniform skirt but god restored her sight he reminded her yes and made her eyes more beautiful than ever proving that no matter what you do you can t hide inner beauty he smiled reaching out to tuck a stray strand of hair behind her ear you re a very beautiful girl emily there s just no hiding it emily s heart swelled in her chest even though she knew she shouldn t be feeling what she was he was so close she could smell him a clean scent like soap and something else masculine and heady she was intoxicated by his dark green gaze fixed in her chair all of their long conversations constellated in that moment hours spent in this office talking about everything from school and her scholarship to one of the most prestigious catholic girls colleges in the country to her overprotective mother and her long dead father whose image glowed like an angel in the distance of her memory i don t try to hide it with you she turned her face so his palm was cupping her cheek relishing the touch of his skin against hers was this really happening you make me feel beautiful you are you really are he whispered hoarsely his thumb moving along the line of her jaw sending little shivers through her i love you father emily turned and kissed his palm eyes closed breathing in his scent her confession bubbling up without thought i love you the silence stretched between them and she didn t need to open her eyes to feel his shock she could see it clearly enough with her eyes closed but he didn t move his hand from her cheek didn t withdraw instead his hand moved down to her shoulder his finger moving along the sensitive area of skin over her collarbone tracing it under the open v of her blouse she held her breath waiting hoping praying not daring to move emily he whispered her name and the sound was heaven oh god help me he kissed her and the sensation carried her skyward she wrapped her arms around his neck reveling in the hot press of his lips the way he gathered her to him pressing his hands to the small of her back so her hips met his under his robe there was no mistaking the hard steel of him pressed against her pelvis keywords alpha male
