since its first publication in 1952 buddhist dictionary has been a trusted companion and helper in the study of buddhist literature the author nyanatiloka thera was qualified as few others have ever been to serve as a reliable guide through the field of theravada buddhist terminology and doctrine in this book he offers authentic and lucid explanations of pali buddhist terms with cross references in english and source references as well amidst the welter of modern works on buddhism and translations differing one from the other this book will help in identifying the doctrinal terms and in correcting misleading renderings not a mere word dictionary but an aid to the terminology of theravada buddhism buddhist dictionary will be as helpful to the serious lay student as to the professional scholar manual of key buddhist terms lotsawa kawa paltseg in order to understand buddhism clearly we need to have a good knowledge of buddhist terminology this text written by an 8th century tibetan translator named kawa paltseg introduces us to a world of definitive buddhist terminology in addition to clearly categorizing many key buddhist terms the author provides comprehensive lists with commentaries of the terms through which the reader can learn about the world of buddhism its psychology cosmology philosophical outlook and other aspects publisher s note this book a manual of key buddhist terms by an 8th century tibetan translator lotsawa kaba paltseg provides a lists of key buddhist terms with useful commentaries the text precisely deals with such topics as the nature of the person discussion on the method by which the individual relates to the world and the consequences that follow from that the law of dependent origination the nature of emptiness the path to buddhahood from two different angles and various qualities of beings not yet freed from cyclic existence samsara etc prepared in an easily comprehensible way this handy booklet will be of immense use to students and scholars of buddhism as a ready reference ven thupten rikey and andrew ruskin are to be complemented for their efforts in translating this valuable text gyatsho tshering director january 1992 here is an outstanding work for which two eminent scholars of chinese buddhism separated by 2000 miles of ocean collaborated for complete ten years during which the manuscript crossed the atlantic four times the authors aim has been to provide a key for the student with which to unlock a closed door and which does serve to reveal the riches of the great buddhist thesaurus in china in the absence of a dictionary of chinese buddhist terms it was small wonder that the translation of chinese texts has made little progress important thought these are to the understanding of mahayana buddhism especially in its far eastern development with more than 5 000 entries totaling over a million words this is the most comprehensive and authoritative dictionary of buddhism ever produced in english it is also the first to cover terms from all of the canonical buddhist languages and traditions sanskrit pali tibetan chinese japanese and korean unlike reference works that focus on a single buddhist language or school the princeton dictionary of buddhism bridges the major buddhist traditions to provide encyclopedic coverage of the most important terms concepts texts authors deities schools monasteries and geographical sites from across the history of buddhism the main entries offer both a brief definition and a substantial short essay on the broader meaning and significance of the term covered extensive cross references allow readers to find related terms and concepts an appendix of buddhist lists for example the four noble truths and the thirty two marks of the buddha a timeline six maps and two diagrams are also included written and edited by two of today s most eminent scholars of buddhism and more than a decade in the making this landmark work is an essential reference for every student scholar or practitioner of buddhism and for anyone else interested in asian religion history or philosophy the most comprehensive dictionary of buddhism ever produced in english more than 5 000 entries totaling over a million words the first dictionary to cover terms from all of the canonical buddhist languages and traditions sanskrit pali tibetan chinese japanese and korean detailed entries on the most important terms concepts texts authors deities schools monasteries and geographical sites in the history of buddhism cross references and appendixes that allow readers to find related terms and look up equivalent terms in multiple buddhist languages includes a list of buddhist lists a timeline and maps also contains selected terms and names in thai burmese vietnamese lao khmer sinhalese newar and mongolian this book contains translations of important pali words and meditation terms arranged in alphabetical order roman script normal english

definitions include a longer discussion of certain complex concepts and source references there are translations of both english and pali words mixed together making it easy to look up important pali words or terms or finding them when knowing only the english equivalent this sixth revised edition is a cooperative effort of the bps and pariyatti in this edition the abbreviation scheme and reference systems have been modernised moreover some of the source notes made in an age when digital search tools were not available and originally located in an appendix have been revised by me in order to accurately reflect the first occurrences of terms and to avoid duplication of statements already found in the entries the british spelling of words has been retained nyanatusita kandy sri lanka september 2017 the fo quang shan buddhist order and buddha s light international association founded by venerable master hsing yun two of the world s largest buddhist organizations are dedicated to the spread of humanistic buddhism a 21st century form of buddhism aimed at bettering this world and human life by following the buddha s teachings throughout the past 50 years tremendous progress has been made in the circles of chinese speaking communities while steady efforts are made in rendering this vast amount of buddhist corpus into english spanish french portuguese and some twenty other languages as said to learn a new language is take on a new culture a new world further difficulties arise when it comes to learning buddhism in a new language still a world that awaits the light of wisdom and experience to be shed any aspiring translator daring to take on this daunting task of translating buddhist texts into their own language would no doubt appreciate as much help as they can obtain the present glossary of humanistic buddhism is a fully revised and expanded version of the standardized fgs names and terms created by the international buddhist progress society ibps in 2005 and approved by the fgs board of directors additional entries have been compiled from all english publications under fo quang shan s cultural undertakings such as fo quang cultural enterprise fo quang shan international translation center buddha s light publications fo quang shan institute of humanistic buddhism and buddha s light international association blia the editorial team hopes this volume will shed light on the many references to fo quang shan and blia terms historical events persons places publications and frequently used buddhist terminology concepts sutra titles and quotes that appear in publications by fo quang shan as well as works of venerable master hsing yun entries are selected based on the interest and request by translators at fo quang shan and blia in hopes that this volume assist in their readings of the complete works of venerable master hsing yun understanding of vernacular buddhist expressions and translation works of humanistic buddhism this edition contains some 5 000 entries divided into the following basic categories 1 terminology 2 building 3 event 4 department 5 publication and 6 venerable master hsing yun s one stroke calligraphy detailed further by the abbreviations listed on page viii suggestions and comments by perceptive readers will be of vital interest and value for the amendments of future editions readers are encouraged to write to the editorial team for the improvements of future editions an online version of the glossary is available at fgsihb org dictionary the editorial team would like to dedicate this edition of the glossary of humanistic buddhism to all experienced and aspiring translators as well as interpreters who have paved the way for the global dissemination of humanistic buddhism the buddhism as taught by the buddha for human beings to purify and make this world virtuous and beautiful this highly important book translates and clearly explains foundational pali terms that are vital to a complete understanding of buddhist philosophy and religion it is an accurate detailed and authentic buddhist dictionary of doctrinal terms from the pali canon and its commentaries it is of value for understanding the early buddhist tradition and the theravada tradition which grew out of it but does not cover the later buddhist traditions the author nyanatiloka was a german monk who compiled the book while interned in india by the british during world war ii since then it has been enlarged and revised this being the third revised and enlarged edition the main entries are listed under the pali terms and the english expressions commonly used are explained and included original pali words are often used in buddhist texts and remain untranslated since writers often did not know their accurate meanings therefore this book is widely known as an essential work for all serious students of buddhism this invaluable interpretive tool first published in 1937 is now available for the first time in a paperback edition specially aimed at students of chinese buddhism those who have endeavoured to read chinese texts apart from the apprehension of a sanskrit background have generally made a fallacious interpretation for the buddhist canon is basically translation or analogous to translation in consequence a large number of terms existing are employed approximately to connote imported ideas as the various chinese translators understood those ideas various translators invented different terms and even when the same term was finally adopted its connotation varied sometimes widely from the chinese term of phrase as normally used by the chinese for instance

Buddhist Dictionary 2004-12-01

since its first publication in 1952 buddhist dictionary has been a trusted companion and helper in the study of buddhist literature the author nyanatiloka thera was qualified as few others have ever been to serve as a reliable guide through the field of theravada buddhist terminology and doctrine in this book he offers authentic and lucid explanations of pali buddhist terms with cross references in english and source references as well amidst the welter of modern works on buddhism and translations differing one from the other this book will help in identifying the doctrinal terms and in correcting misleading renderings not a mere word dictionary but an aid to the terminology of theravada buddhism buddhist dictionary will be as helpful to the serious lay student as to the professional scholar

moving beyond the original bodhi tree where the historical buddha attained enlightenment buddhism spread throughout asia and in more recent history has become ubiquitous in america and other western nations as it marches into the status of a major global religion during its history westward it has changed adapted to new cultures and offered spiritual help to those looking for answers to the problems of life buddhism is studied in institutions of higher education practice by many people worldwide and its literature is translated in numerous languages historical dictionary of buddhism second edition contains a chronology an introduction and an extensive bibliography the dictionary section has more than 900 cross referenced entries on important personalities as well as complex theological concepts significant practices and basic writings and texts this book is an excellent resource for students researchers and anyone wanting to know more about buddhism

Encyclopaedic Dictionary of Buddhism 1994

this is the first attempt at a description of the grammar and lexicon of buddhist hybrid sanskrit most north indian buddhist texts are composed in it it is based primarily on an old middle indic vernacular not otherwise identifiable but there seems reason to believe that it contains features that were borrowed from other middle indic dialects in other words even its middle indic aspects are dialectically somewhat mixed most strikingly however bhs was also extensively influenced by sanskrit from the very beginning of the tradition as it has been transmitted to us and increasingly as time went on many especially later products of this tradition have often though misleadingly been called simply sanskrit without qualification in principle the author has excluded from the grammar and dictionary all forms which are standard sanskrit and all words which are used in standard sanskrit with the same meanings
