Gender. Nation. Text. 2017

this collection explores the multifarious manifestations of gender intrinsic to national ideologies the use of gender in the construction and development of nation states and the role of political literary and cinematographic discourses in cultural debates that define national and international borders in post colonial societies the selected essays focus primarily on europe and latin america and consider the implications of colonialism dictatorship and the transition to democracy on national identities as well as the deliberate use of gendered language and images in the development of discourses of hegemony frequently used to underpin support for individual political regimes or as a call to arms to defend national patrimony series cultural studies kulturwissenschaft estudios culturales etudes culturelles vol 55 subject gender studies politics sociology cultural studies

Identity, Nation, Discourse 2009-01-14

this volume explores women s literary and cultural production in latin america and suggests how such works engage with discourses of identity nationhood and gender including contributions by several prominent latin american scholars themselves it seeks to provide a vital insight into the analysis and reception of the works in a local context and foster debate between latin american and metropolitan academics the book is divided into two sections women and nationhood and models and genres the first section comprises six chapters which examines women s responses to and attempts to carve out space within national discourses in a latin american context spanning the nineteenth century to the present day the chapters offer an insight into the ways in which latin american women have constructed themselves as modern subjects of the nation and made use of the ambiguous spaces created by modernization and national discourses the section starts firstly with a focus on the southern cone covering chile and argentina and then moves geographically northward to colombia and bolivia the second section models and genres consists of six chapters that examine how women writers engage with and critically re work existing literary discourses and paradigms considering phenomena such as detective fiction fairy tales and classical mythological figures the chapters illustrate how these genres and models frequently coded as masculine are given new inflections both as a result of their deployment by women and as a result of their re working in a latin american context

Landscape and Identity in the Modern Basque Country, 1800 to 1936 2022-12-30

landscape and identity in the modern basque country 1800 to 1936 studies the relationship between landscape and modern identities in the basque country using an interdisciplinary approach that combines cultural history and geography it analyses the process of historical construction of the basque landscape highlighting its multiple political social and cultural meanings the book is divided into two parts the first examines the discourses images and representations of the basque landscape the second examines landscape practices through tourism hiking and mountaineering focusing on the basque case but establishing numerous connections with comparable phenomena in western europe the book demonstrates that the landscape became a structuring element insofar as it helped shape individual identities while participating in the creation of social links this book examines the processes of identity construction from below by means of new interpretative tools such as the experience of landscape this work originally published in french brings to an english speaking audience a crucial issue in the modern history of the basque country namely the cultural construction of a collective identity within the framework of a nation state such as spain confronted with multiple territorial identities approaching this question from the perspective of landscape provides new keys to understanding the processes of nation building that occurred in europe in the nineteenth and

twentieth centuries

One nation, two cultures 1999

al leer este resumen descubrirá los principios fundamentales de la economía política según adam smith también descubrirá que el trabajo es la fuente de la riqueza de una nación que la división del trabajo permite la productividad fuente del crecimiento económico que el verdadero valor de una mercancía reside en el trabajo que contiene que el trabajo por interés personal contribuye al equilibrio natural del mercado que la acumulación de capital es una condición previa necesaria para la división del trabajo cuando adam smith el economista y filósofo escocés escribió la riqueza de las naciones 1776 fue el primero en definir los principios del crecimiento económico esta famosa obra de cinco libros presentó los principales temas fundacionales de la economía política estos últimos que se hacen más comprensibles si se sitúan en el contexto del siglo xviii se oponían al pensamiento mercantilista de la época las teorías de adam smith fueron innovadoras en la historia de la economía sirvieron de base de reflexión para generaciones de famosos economistas posteriores a él y su obra seminal representa el inicio de la economía moderna está preparado para entender los mecanismos de estas teorías

The Native Races of the Pacific States of North America: Civilized nations 1875

how did flamenco a song and dance form associated with both a despised ethnic minority in spain and a region frequently derided by spaniards become so inexorably tied to the country s culture sandie holguín focuses on the history of the form and how reactions to the performances transformed from disgust to reverence over the course of two centuries holguín brings forth an important interplay between regional nationalists and image makers actively involved in building a tourist industry soon they realized flamenco performances could be turned into a folkloric attraction that could stimulate the economy tourists and spaniards alike began to cultivate flamenco as a representation of the country s national identity this study reveals not only how spain designed and promoted its own symbol but also how this cultural form took on a life of its own

RESUMEN - The Wealth Of Nations / La riqueza de las naciones (Libro 1 y 2) Por Adam Smith 2019-06-11

with the opening of sea routes in the fifteenth century groups of men and women left portugal to establish themselves across the ports and cities of the atlantic or ocean sea they were refugees and migrants traders and mariners jews catholics and the marranos of mixed judaic catholic culture they formed a diasporic community known by contemporaries as the portuguese nation by the early seventeenth century this nation without a state had created a remarkable trading network that spanned the atlantic reached into the indian ocean and asia and generated millions of pesos that were used to bankroll the spanish empire a nation upon the ocean sea traces the story of the portuguese nation from its emergence in the late fifteenth century to its fragmentation in the middle of the seventeenth and situates it in relation to the parallel expansion and crisis of spanish imperial dominion in the atlantic against the backdrop of this relationship the book reconstitutes the rich inner life of a community based on movement maritime trade and cultural hybridity we are introduced to mariners and traders in such disparate places as lima seville and amsterdam their day to day interactions and understandings their houses and domestic relations their private reflections and public arguments this finally textured account reveals how the portuguese nation created a cohesive and meaningful community despite the mobility and dispersion of its members how its forms of sociability fed into the development of robust transatlantic commercial networks and how the day to day experience of trade was translated into the

sphere of spanish imperial politics of commercial reform based on religious ethnic toleration and the liberalization of trade a microhistory a nation upon the ocean sea contributes to our understanding of the broader histories of capitalism empire and diaspora in the early atlantic

Flamenco Nation 2007-01-04

blacks mulattos and the dominican nation is the first english translation of the classic text los negros los mulatos y la nación dominicana by esteemed dominican scholar franklin j franco published in 1969 this book was the first systematic work on the role of afro descendants in dominican society the first society of the modern americas where a black mulatto population majority developed during the 16th century franco s work a foundational text for dominican ethnic studies constituted a paradigm shift breaking with the distortions of traditional histories that focused on the colonial elite to place afro descendants slavery and race relations at the center of dominican history this translation includes a new introduction by silvio torres saillant syracuse university which contextualizes franco s work explaining the milieu in which he was writing and bringing the historiography of race slavery and the dominican republic up to the present making this pioneering work accessible to an english speaking audience for the first time this is a must have for anyone interested in the lasting effects of african slavery on the dominican population and caribbean societies

Two Nations Under God: The Deuteronomistic History of

Solomon and the Dual Monarchies 2015-06-11

war has returned to europe and nato stands at the forefront of the response to russia s aggression in ukraine but how does nato function how do nato member states perceive and act through the atlantic alliance and ultimately how do states shape nato s cohesion and relevance in the face of threats the nations of nato explores national policies within the atlantic alliance it examines the foreign policies of 16 allies focusing on issues such as their strategic cultures relationship with the united states contributions to nato operations levels of defence spending domestic challenges and decision making processes the recent crisis in ukraine has without doubt reinvigorated nato as a military alliance but over the last decade it has also been affected by a number of challenges both endogenous and exogenous whether the alliance is threatened from the outside russia terrorism china or is being undermined from within intra alliance politics diverging threat perceptions has become an increasingly debated issue the degree to which the alliance can adapt to evolving threats has also been at stake at the heart of these debates are nato allies policies preferences threat perceptions and level of commitment to the shared enterprise by analysing the drivers constraints and specificities of relevant national policies the volume offers an overview of nato s contemporary functions and challenges and constitutes an important source of data for future research and comparative analysis

The United Nations and Freedom of Expression and Information 2021-01-18

for ethnic minorities in europe separated by state borders such as basques in france and spain or hungarians who reside in slovakia and romania the european union has offered the hope of reconnection or at least of rendering the divisions less obstructive conationals on different sides of european borders may look forward to increased political engagement including new norms to support the sharing of sovereignty enhanced international cooperation more porous borders and invigorated protections for minority rights under the pan european umbrella it has been claimed that those belonging to divided nations would no longer have to depend solely on the goodwill of the governments of their states to have their collective rights respected yet for many divided nations the promise of the european union and other pan european institutions remains unfulfilled divided nations and european integration examines the impact of the expansion of european institutions and the ways the eu acts as a confederal association of member states rather than a fully multinational federation of peoples a wide range of detailed case studies consider national communities long within the borders of the european union such as the irish and basques communities that have more recently joined such as the croats and hungarians and communities that are not yet members but are on its borders or in its near abroad such as the albanians serbs and kurds this authoritative volume provides cautionary but valuable insights to students of european institutions nations and nationalism regional integration conflict resolution and minority rights contributors tozun bahcheli zoe bray alexandra channer zsuzsa csörgő marsaili fraser james m goldgeier michael keating tristan james mabry john mcgarry margaret moore sid noel brendan o leary david romano etain tannam stefan wolff

this book offers an up to date analysis of the foreign policies of latin american nations and its international positioning in world politics evaluating the impact of changes in the global community on the hemisphere and on individual states

El Libro Antigo Español, VI. De Libros, Librerías, imprentas y lectores 2022-10-20

escrito en 1970 este volumen es un clásico de culto que ejemplifica como ninguno la contracultura de los años sesenta y en particular la visión de los yippies la rama más politizada del movimiento hippie que inspiró a toda una generación a desafiar el statu quo el libro está escrito en forma de guía y en ella hoffman activista político y social utiliza sus propias actividades y experiencias como inspiración da consejos a los lectores sobre cómo hacer para vivir fuera de la ley cultivar marihuana crear una radio libre vivir en una comuna cometer fraudes con tarjetas de crédito y una gran variedad de técnicas de hurto en sus páginas hoffman se refería a estados unidos como el imperio cerdo y declaraba que no solo no era inmoral robar en él sino que era inmoral no hacerlo el libro fue rechazado por unos treinta editores distintos los principales medios de comunicación no querían o tenían miedo de hacer publicidad del libro y muchos distribuidores y librerías no estuvieron dispuestos a comercializarlo por su naturaleza subversiva y por la incitación al robo en el título hoffman fue finalmente obligado a crear una editorial propia para poder ponerlo en circulación con grove press como distribuidor pese a su precaria difusión principalmente a través del boca a boca pronto se convirtió en un gran éxito de ventas

The Nations of NATO 2013-07-16

against a background of extensive multi disciplinary oceanographic investigations over a number of years together with the long term establishment of a society and institute extensive information is available from studies undertaken in the estuarine and coastal waters of the basque country the present authors gained access to unpublished literature and reports which together with a synthesis of internationally refereed papers provide a series of scientific overviews of particular subject areas teams of researchers from basque institutes and universities combine to present the present state of knowledge within a global context of processes ranging from sub seabed to air sea interaction incorporating data on the associated biology including fisheries and pollutant sources and levels the latter are compared with regional national and european legislation the volume is divided into various sections introduction geography and oceanography chemical oceanography and water quality sediment characteristics quality and chemistry biomonitoring communities and ecology and overall assessment the topics covered include an historical review of marine research the impact of human activities during past centuries geology geomorphology and sediments climate and meteorology marine dynamics hydrography water mass characteristics contaminants in the waters microbiological quality sedimentological characteristics contaminants in sediments biomonitoring of heavy metals and organic components at tissue organism level and using cellular and molecular biomarkers bacterioplankton and phytoplankton communities zooplankton communities benthic communities seabirds biodiversity and conservation recovery of benthic communities the polluted systems and assessment of human impacts on the basis of these syntheses future challenges for marine research in the basque country are identified in terms of a research agenda this comprehensive text relating to estuarine coastal and oceanographic processes at wide ranging spatial and temporal scales in the southern bay of biscay will be of interest to researchers engineers and legislators on a regional basis and within a world wide perspective

Divided Nations and European Integration 1998

this book looks at the reasons behind the emergence of a catalan nationalist movement from the late 1880s one of the most important developments that took place in nineteenth century spain with the catalan question thereafter never far from the centre of the spanish political stage

Identity and Struggle at the Margins of the Nation-state 2018-02-19

this book is an innovative work that takes a fresh approach to the concept of race as a social factor made concrete in popular forms such as film television and music the essays push past the reaffirmation of static conceptions of identity authenticity or conventional interpretations of stereotypes and bridge the intertextual gap between theories of community enactment and cultural representation
