an impassioned funny probing fiercely inconclusive nearly to the death debate about life and art beers included caleb powell always wanted to become an artist but he overcommitted to life he s a stay at home dad to three young girls whereas his former professor david shields always wanted to become a human being but he overcommitted to art he has five books coming out in the next year and a half shields and powell spend four days together at a cabin in the cascade mountains playing chess shooting hoops hiking to lakes and an abandoned mine they rewatch my dinner with andré and the trip relax in a hot tub and talk about everything they can think of in the name of exploring and debating their central question life and or art marriage family sports sex happiness drugs death betrayal and of course writers and writing the relationship the balance of power between shields and powell is in constant flux as two egos try to undermine each other two personalities overlap and collapse this book seeks to deconstruct the q a format which has roots as deep as plato and socrates and as wide as laurel and hardy beckett s didi and gogo and car talk s magliozzi brothers i think you re totally wrong also seeks to confound as much as possible the divisions between reality and fiction between life and art there are no teachers or students here no interviewers or interviewees no masters in the universe only a chasm of uncertainty in a dialogue that remains dazzlingly provocative and entertaining from start to finish james franco s adaptation of i think you re totally wrong into a film with shields and powell striving mightily to play themselves and franco in a supporting role will be released later this year
