presidency throughout the book key dates terms and issues are highlighted and historical interpretations of key debates are outlined summary diagrams are included to consolidate knowledge and understanding of the period and exam style questions and tips written by examiners for each specification provide the opportunity to develop exam skills close deals with major corporations organizations or individuals who can propel your business to the next level when you think about it our entire lives revolve around selling whether we sell as part of our business serve on a committee of a non profit organization or negotiate for a new job car house we are pitching hearing and closing deals every day let's close a deal articulates the intuitive process that identifies how and why a deal will appeal and then demonstrates in step by step detail how to present your deal in a compelling way the sales process is not about coercion it's about compassion the closing part of a negotiation should honor everyone involved instead of taking advantage of them we make our decisions based on the manner in which information is presented to us and what we believe will be the best deal let's close a deal explains how to present information so persuasively that it increases the likelihood of getting a yes demonstrates how finding the human perspective is key to closing any deal articulates the sale from conception preparation presentation to close author christine clifford is a sought after professional speaker and author of eight books including you inc the art of selling yourself coauthored with harry beckwith author has direct experience closing major deals having taken her company from a million dollar per year loss to over 54 million in sales and having signed the largest contract in the history of her industry with procter gamble doubling the size of her company overnight increase your business's chance for success by improving your ability to secure profitable partnerships let's close a deal shows you how three years into the life of this parliament ministers are unable to define what they hope to achieve through one of the coalition's flagship policies it's impossible to assess policy if the government itself cannot explain precisely what it is hoping to achieve at a time when gas and electricity bills are on the rise improving the energy efficiency of our homes could not be more important the committee plans to monitor progress of the green deal over the coming years this report sets out seven key areas in which it will focus its scrutiny public awareness and communications take up levels energy and carbon savings financial savings and value for money access to the green deal and eco customer satisfaction and supply chain and job creation it identifies a number of potential challenges which could lead to low take up of the green deal for example people in rented accommodation might have difficulty gaining consents from their landlords households might find the hassle of building works too much to want to upgrade their property or cheaper sources of finance might be available from other sources if take up levels are low it will be important to understand why this is so that the policy can be improved the report calls on the government to publish information showing how well the green deal is progressing the committee also says that decc should seek opportunities to collaborate with research organisations to maximise its understanding of whether the scheme is working well a uniquely detailed exploration of life in the ccc the new deal's forest army compellingly demonstrates how one new deal program changed america and gave birth to both contemporary forestry and the modern environmental movement did you know that many new deal experiments were tried out in rome these as well as their analogies in our current history are discovered and correlated in this unique and original volume using his familiarity with roman remains in europe not to mention his careful study of ancient history and drawing on his long experience as a political observer the author h j haskell who was editor of the kansas city star has described with consummate accuracy a picture of a period in the past so startlingly akin to our own that it can be written of in the modern idiom and considered from the modern point of view many of the alphabetical agencies of the new deal were set up long ago in rome the p w a the f e r a the r a the h o l c the a a a the f c a the much discussed two price system for wheat was adopted in the second century b c in connection with the ever normal granary there were boom years with an easy money policy and wild speculation precisely as in the united states in the 1920 s followed by the inevitable panic in which the

government spending led to ruinous taxation monetary devaluation and inflation with soaring prices attention is called however to significant economic differences between the ancient and the modern world and enough of the political and social background is supplied to make these events intelligible the result is an extraordinarily interesting book this book explains why the negotiation process is not finished when a deal is signed and elaborates on how to get better deals when focusing on sustainable collaboration rather than on the deal itself this book is a pioneer in showing the extent of the negotiation process it makes the case that whenever negotiators assume that the negotiation is finished when a deal is signed they dive into a pitfall what follows the signature of a deal is the enforcement of the contract which is when all surprises and difficulties unfold by assuming that the negotiation was over companies are taken by surprise by all the features of the after deal and often improvise their solutions because there is urgency what leads to higher levels of stress and risks this book shows how to shift from stressful hazardous and confrontational situations to enjoyable comfortable and future oriented negotiation strategies president donald j trump lays out his professional and personal worldview in this classic work a firsthand account of the rise of america s foremost deal maker i like thinking big i always have to me it s very simple if you re going to be thinking anyway you might as well think big donald j trump here is trump in action how he
