soft matter journal the royal society of chemistry

Apr 27 2024

Journal scope soft matter provides a unique forum for the communication of significant advances in interdisciplinary soft matter research there is a particular focus on the interface between chemistry physics materials science biology and chemical engineering

wikipedia

Mar 26 2024

soft matter is a journal of the Royal Society of Chemistry focusing on interdisciplinary research in soft materials. The journal covers a wide range of topics including polymers, colloids, liquid crystals, and biological systems. It is a peer-reviewed journal with a high impact factor. The journal is published by the Royal Society of Chemistry and is available online through the Royal Society of Chemistry website.
