71 Ways to Practice English Writing: Tips for ESL/EFL Learners 2019-02-20

what leads to success in english there are a number of things that lead to success in learning a language this is loosely based on richard st johns ted talk the eight traits successful

people have in common it is slightly modified for learning english 1 have passion for english you should be passionate about learning english when people ask you about your hobbies you may have a number of hobbies but one hobby you should always have is studying english say i love learning english really believe this people always find time for their hobbies even when they are busy if learning english is your hobby you are more likely to find time to study and improve it 2 work hard but smart you should work to improve your english only by putting in the effort can you hope to improve you can't improve your english by just hoping that it will improve you have to put in the work you should also use the techniques in this book to study more efficiently work to improve your english but work smart to improve quicker 3 do one thing at a time when you are studying english you should study english and do nothing else when you are studying being distracted by smartphones and social media on your computer are often time wasters while you're studying english ignore social media remember that most people on social media are not your friends and don't care about the picture of the lunch you had today don't multitask people think they are being more efficient when they are doing more than one thing at a time they are not when they are using their brains to work on more than one thing at a time they are not using their whole brain to work on a project such as learning a language 4 push yourself you have to push yourself you have to give yourself goals and clear deadlines 5 keep going don't stop you have to persist you can't study for a little while then give up you have to keep going 6 study every day you should study every day you cannot work five days a week then study english like crazy at weekends you're going to hate it it is far better to study 10 minutes in the morning and 10 minutes in the evening than studying for a number of hours at weekend if you only study at weekend then you spend five days forgetting what you have learnt during your working week finally speak in english you should always try to speak in english as much as you can with other people if possible if other people are not available imagine a role play such as going to a restaurant and do both sides of the conversation yourself obviously in private or in your mind in public places
