you cannot have a universe from nothing 0 x 1 0 it is
mathematically impossible by mohammed raj abduallah
of this documentary the specific scene is the
corner of junction avenue and lucas street 3

located in a solid polish american
neighborhood the story could be written of
many other neighborhoods and ethnic and racial
groups throughout the united states it just so
happens that the writer was a member of this
particular group and neighborhood dramatic
changes have taken place since the time period
addressed in the corner ww ii impacted the way
of life of all americans ethnic and racial
neighborhoods and groups are still located
throughout the country but on a far less scale
nicknames a sign of popularity in most cases
or of a special trait of the individual are
not as common in today s society new and
interesting developments have impacted the old
meetings places and methods of communication
amongst the young men throughout america
television new and interesting hobbies and
diverse civic religious and other group
organizations that provide meeting places and
many other features that make you cannot have
effective life style of american youth have
replaced the old but unforgettable meetings on
the local corners unfortunately a part of it is
american culture and history are lost for the
ages the corner captures 3620 a capsule of a part
of american life during an era that words
literally disappeared from the 1970s and 0
scene we go back in time twenty five years
