process of registering to be a notary and why you'd want to do it's about the classes, books, resources, and options available to prep for the exam. It's not a study guide to the test's content itself; other books do that, including the best-selling sidepiece guide also by Proff Childress of Tulane. But it does explain the format of the exam and the structure of questions so that a candidate knows how to start studying. Previously, no one had offered a guide to the preliminary but confusing steps you take to be eligible for the exam or rules and tips you'd want to know right away about the exam process, and its open-book website information can be unclear and incomplete without disclosing the realities. This book is about what I wish someone told me from day one when I was considering becoming a notary in Louisiana, an affordable addition to the self-study Sherpa series from Quid Pro Books.
