**Professional Responsibility** 2014 china's recent economic transformation and integration into the world economy has coincided with increasing pressure for corporate law reform to make corporate social responsibility (CSR) integral to business and management strategy in china this timely book critically analyses contemporary notions of CSR in china discussing theory and practice alongside legal responses in this emerging field jingchen zhao uniquely combines the history traditions and social policies of china with chinese law explaining the significance of path dependence in china he presents an in depth debate on the difficulties involved in transplanting developed legal principles directly into chinese society and takes a detailed look at the CSR provisions in chinese company law which aimed to put social and environmental concerns onto the corporate agenda he suggests how these laws could be more effectively and efficiently enforced with reference to UK law and explores specific issues including chinese company law 2006 the harmonious society in china the 2008 financial crisis and its impact on the chinese economy recent corporate scandals including the sanlu baby milk scandal the wenchuan earthquake and CSR donations the beijing olympic games and CSR and the fujia chemical plant this book will prove an enlightening read for academics and practitioners in the fields of law business and management interested in CSR and the law in contemporary china

**Corporate Social Responsibility in Contemporary China** 2014-01-01 this book investigates the many ways in which contemporary african fiction has reflected on themes of responsibility and complicity during the postcolonial period covering the authors ayi kwei armah tsitsi dangarembga nuruddin farah michiel heyns and j m coetzee the book places each writer's novels in their cultural and literary context in order to investigate similarities and differences between fictional approaches to individual complicity in politically unstable situations in doing so the study focuses on these texts representations of discomfiting experiences of being implicated in harm done to others in order to show that it is precisely during times of political crisis that questions of moral responsibility and implicatedness in compromised conduct become more pronounced the study also challenges longstanding western amnesia concerning responsibility for historical and present day violence in african countries and juxtaposes this denial of responsibility with the western literary readership's consumption of narratives of african suffering the study instead proposes new reading habits based on an awareness of readerly complicity and responsibility drawing insights from across political philosophy and literary theory this book will be of interest to researchers of african literature postcolonial studies and peace and conflict studies

**Complicity and Responsibility in Contemporary African Writing** 2021-05-03 the last decades witnessed a vigorous debate over the role of corporations in society interest in corporate social responsibility (CSR) has become intense as corporate stakeholders have called for higher performance and ethical standards from businesses and many corporations have developed CSR programs to harvest the benefits resulting from such initiatives CSR practices have become a crucial component of business strategy contributing to organizational success and sustainable competitiveness cases on corporate social responsibility and contemporary issues in organizations is an essential reference source that provides specific case studies that elaborate on the strategies and policies enacted by contemporary organizations to address environmental and social issues as well as economic and financial ones featuring research on topics such as sustainable development goals CSR pillars employee retention gender equality and social accountability this book is ideally designed for business managers researchers practitioners and students seeking coverage on innovative business practices enacted in multiple organizations industries

*Caring for Community towards a New Ethics of Responsibility in Contemporary Postcolonial Novels* focuses on four highly acclaimed publications in order to argue for a new understanding of community and its ethical framework in recent literary texts traditionally community has been understood to function on the basis of individuals' readiness to establish relationships of reciprocal responsibility this book however argues that community and non-reciprocity need not be mutually exclusive categories examining works by leading contemporary postcolonial authors and reading them against Judith Butler's post-9/11 concept of global political community the book explores how concrete acts of responsibility can be carried out in recognition of various others even and precisely when those others cannot be expected to respond the literary analyses draw on a rich theoretical framework that includes approaches to care hospitality and the ethical encounter between self and other overall this book establishes that the novels' protagonists by investing in an ethics of responsibility that does not require reciprocity acquire the agency to envisage new forms of community by reflecting on the nature and effect of this agency and its representation in contemporary literary texts the book also considers the role of postcolonial studies in addressing highly topical questions regarding our co-existence with others

*Caring for Community* 2018-12-12 noting the pervasiveness of the adoption of responsibility as a core ideal of neoliberal governance the contributors to competing responsibilities challenge contemporary understandings and critiques of that concept in political social and ethical life they reveal that neoliberalism's reification of the responsible subject masks the myriad forms of individual and collective responsibility that people engage with in their everyday lives from accountability self-sufficiency and prudence to care obligation and culpability the essays which combine social theory with ethnographic research from Europe North America Africa and New Zealand address a wide range of topics including critiques of corporate social responsibility practices the relationships between public and private responsibilities in the context of state violence the tension between calls on individuals and

to prevent the transmission of hiv audit culture and how health is cast as a citizenship issue competing responsibilities allows for the examination of modes of responsibility that extend challenge or coexist with the neoliberal focus on the individual cultivation of the self contributors barry d adam elizabeth anne davis filippa lentzos jessica robbins ruszkowski nikolas rose rosalind shaw cris shore jessica m smith susanna trnka catherine trundle jarrett zigon

**Competing Responsibilities** 2017-03-10 schweiker develops a powerful new theory of responsibility articulated in terms of christian faith

**Indirect Responsibility in the Contemporary Law of State Responsibility** 2018 as a result of the industrialization urbanization and population increase during the last two centuries the global landscape has been irreversibly damaged these anthropological pressures have create endless problems on the global level and individuals and organizations are beginning to realize their own ever increasing responsibility to consider the welfare and interests of all stakeholders as a whole although the improvements in the legal framework at the national and international level can be viewed as an important step to protect society and the natural environment a legal course provides a reactive mode of control rather than a proactive approach considering its proactive approach and voluntarily basis the concept of social responsibility can provide a significant tool of generating a sustainable future during such a paradigm shift contemporary issues in corporate social responsibility presents the significant roles that universities must embrace in order to take charge of the future in parallel to those movements many institutions include a course on social responsibility yet the studies on the education of social responsibility in the literature show that there is no commonly accepted teaching methods and guiding curriculum of csr this book was designed based on the outcomes of an erasmus intensive project ip which was organized in yasar university during june 2012 with the contribution of 9 european universities based on the interactive feedback of participants during the project this book sheds light on the ongoing discussion of corporate social responsibility from a european perspective

**Responsibility and the Individual in Modern Society** 1981 this volume bridges contemporary philosophical conceptions of risk and responsibility and offers an extensive examination of the topic it shows that risk and responsibility combine in ways that give rise to new philosophical questions and problems philosophical interest in the relationship between risk and responsibility continues to rise due in no small part to environmental crises emerging technologies legal developments and new medical advances despite such interest scholars are still working out how to conceive of the links between risk and responsibility the implications that risks may have to conceptions of responsibility and vice versa as well as how such theorizing might play out in applied cases with contributions from leading scholars this volume brings together new work examining the interplay between risk and responsibility exploring its varied philosophical aspects and applications to contemporary issues in law bioethics technology and environmental ethics risk and responsibility in context will be of interest to philosophers working in ethics bioethics philosophy of law and philosophy of technology as well as scholars and practitioners in law health and science management public policy and environmental studies the open access version of this book is available at taylorfrancis.com this publication is licensed unless otherwise indicated under the terms of the creative commons attribution non commercial 4 0 international cc by nc 4 0 license creativecommons.org/licenses/by-nc/4.0 which permits use sharing adaptation distribution and reproduction in any medium or format provided you give appropriate credit to the original author s and source provide a link to the creative commons license and indicate any modifications use for commercial purposes is not permitted

**Responsibility and Christian Ethics** 1999-03-11 the purpose of this volume is to broadly discuss the media s responsibility to provide discursive contributions to the ethical and moral challenges of our times at the crossroads of intellectual progress and profit orientation concentration tendencies in the academic publishing industry pose a threat to the reputation and integrity of higher education the actions of whistleblowers like edward snowden have radically changed our perception of privacy stirring debates about the ethical and moral dilemma attached to the disclosures islam and religion continue to rank as urgent topics in the news with the most influential contributions to the public discourse often belonging to ideologically influenced western voices one century after the bolshevik revolution in 1917 russia is still negotiating how to categorize these events which have recently been pointed out in a controversial tv show the example of nigeria makes clear that insecurity and national development go hand in hand with responsible press coverage while the low self perception of the belarusian film industry is due partly to its depiction in the country s only cinematographic publication

**Contemporary Issues in Corporate Social Responsibility** 2013-12-18 this title was first published in 2002 this book is an analysis of the ways in which mental states ground attributions of responsibility to persons particular features of the book include attention to the agent s epistemic capacity for beliefs about the foreseeable consequences of actions and omissions attention to the essential role of emotions in prudential and moral reasoning a conception of personal identity that can justify holding persons responsible at later times for actions performed at earlier times an emphasis on neurobiology as the science that should inform our thinking about free will and responsibility and the melding of literature on free will and responsibility in contemporary analytic philosophy with legal cases abnormal psychology neurology and psychiatry which offers a richer texture to the general debate on the relevant issues

**Risk and Responsibility in Context** 2023-08-31 is trump responsible for the january 6 insurrection are white people responsible for slavery in moral responsibility beyond our fingertips collective responsibility leaders and attributionism eugene schlossberger expands updates and argues for the attributionist account of moral responsibility and agency and applies it to several pressing contemporary concerns leaders responsibility for their followers acts and ordinary persons responsibility for their influence on others collective responsibility addiction and responsibility for what we would have done moral agents are continuing worldviews in operation who are ultimately responsible for their worldviews and occasion responsible for acts events and circumstances that occasion a judgment of responsibility agents can be responsible for many things beyond their fingertips such as others behavior that they enabled that reveal something about their worldviews the wide ranging discussion addresses the responsibility of psychopaths the nature of beliefs and desires social convergence theory twelve forms of subjectability such as blame and owing an apology queerness and moral internalism the beneficiary pays principle and much more the result is a comprehensive picture of agency and responsibility

*Mapping Media Responsibility. Contemporary Aspects of Morals, Ethics and Social Discourse* 2017-04-10 argues for a more robust conception of responsibility in public life than prevails in contemporary democracies

**The Mental Basis of Responsibility** 2018 in modern society it has become increasingly important to consumers that their products be environmentally safe green marketing is the most efficient way for corporations to convey that their merchandise is environmentally ethical which in turn increases profit green marketing and environmental responsibility in modern corporations is a comprehensive resource for the latest material on the methods and techniques that contemporary industries are employing to raise awareness on sustainable products featuring comprehensive coverage across a range of relevant topics such as green consumption organic food products supply chain performance and ecological marketing this publication is an ideal reference source for professionals practitioners academics and researchers interested in the latest material on sustainable corporate operations

*The Modern Corporation and Social Responsibility* 1972 mcgee explores the political significance of aesthetic analysis in the context of cultural studies and asks how political responsibility can be reconciled with the concept of the university as a democratic institution

*Moral Responsibility beyond Our Fingertips* 2022-03-03 a grammar of responsibility is an interesting provocative and careful study of the way to speak about responsibility the term is everywhere these days but is seldom examined in any detail and yet responsibility is a complicated idea with a peculiar history the book starts from the way people speak using hundreds of examples from contemporary discussions it explains the need for a grammar that is a consistent and comprehensive way to use the term it goes on to analyze a host of ethical dilemmas in each case a grammar of responsibility provides a fresh look at seemingly intractable problems the result is a book of clear ideas to help us deal intelligently with the sense of moral crisis that is widespread today book jacket title summary field provided by blackwell north america inc all rights reserved

*Restoring Responsibility* 2005 the environmental responsibility reader is a definitive collection of classic and contemporary environmental works that offers a comprehensive overview of the issues involved in environmental responsibility steering the reader through each development in thought with a unifying and expert editorial voice this essential text expertly explores seemingly intractable modern day environmental dilemmas including climate change fossil fuel consumption fresh water quality industrial pollution habitat destruction and biodiversity loss starting with silent spring and moving through to more recent works the book draws on contemporary ideas of environmental ethics corporate social responsibility ecological justice fair trade global citizenship and the connections between environmental and social justice configuring these ideas into practical notions for responsible action with a unique global and integral focus on responsibility

**Green Marketing and Environmental Responsibility in Modern Corporations** 2017-01-18 to find more information about rowman and littlefield titles please visit rowmanlittlefield.com  
*Cinema, Theory, and Political Responsibility in Contemporary Culture* 1997-08-14 it is well over a decade since john fischer and mark ravizza and before them jay wallace and daniel dennett defended responsibility from the threat of determinism but defending responsibility from determinism is a potentially endless and largely negative enterprise it can go on for as long as dissenting voices remain and although such work strengthens the theoretical foundations of these theories it won t necessarily build anything on top of those foundations nor will it move these theories into new territory or explain how to apply them to practical contexts to this end the papers in this volume address these more positive challenges by exploring how compatibilist responsibility theory can be extended and or applied in a range of practical contexts for instance how is the narrow philosophical concept of responsibility that was defended from the threat of determinism related to the plural notions of responsibility present in everyday discourse and how might this more fine grained understanding of responsibility open up new vistas and challenges for compatibilist theory what light might compatibilism shed and what light might be shed upon it by political debates about access to public welfare in the context of responsibility for one s own health and by legal debates about the impact of self intoxication on responsibility does compatibilist theory which was originally designed to cater for analysis of individual actions scale to scenarios that involve group action and collective responsibility e g for harms due to maternity induced climate

change this book's chapters deal with a range of theoretical problems discussed in classic compatibilist literature e.g. the relationship between responsibility and capacity the role of historical tracing in discounting the exculpatory value of incapacities and the justifiability of retributive punishment but instead of motivating their discussions by focusing on the alleged threat that determinism poses to responsibility these chapters authors have animated their discussions by tackling important practical problems which crop up in contemporary debates about responsibility

*A Grammar of Responsibility* 1996 to what extent could max weber's ethic of responsibility serve as a model for us today an adequate answer to this question could only be given on the basis of a satisfactory interpretation and thorough assessment of his ethic of responsibility in this monograph etienne de villiers sets himself the task of doing just that he establishes that in spite of serious shortcomings weber's ethic points to the contemporary need for an ethic of responsibility as a second level normative ethical approach that would address the undermining effect of modernisation on ethical living such a contemporary ethic of responsibility would provide guidelines on how ethical living could be responsibly enhanced in our time the author also presents a brief proposal on how a contemporary ethic of responsibility might be designed

**The Environmental Responsibility Reader** 2009-03-12 exploring the interpersonal basis of the practice of responsibility ascriptions this study formulates a precise set of criteria for responsibility ascriptions it demonstrates how the proposed criteria help to solve all the key problems connected with responsibility in moral and legal philosophy

The Contemporary Review 1884 few topics have received broader attention within contemporary philosophy than that of responsibility theodore george makes a novel case for a distinctive sense of responsibility at stake in the hermeneutical experiences of understanding and interpretation he argues for the significance of this hermeneutical responsibility in the context of our relations with things animals and others as well as political solidarity and the formation of solidarities through the arts literature and translation

Faculty Responsibility in Contemporary Society 1990 this book explores how the distinctive quaker approach to responsible business is based on honesty truth and integrity it analyzes how networks family and succession are at its heart and how much this approach offers to current debates on corporate social responsibility as well as to managers and practitioners in an increasingly complex business world the contributions in this volume assess the factors that explain the success and prosperity of many quaker businesses throughout the eighteenth and nineteenth centuries discussing the lessons learned from their disappearance from prominence by drawing upon examples that illustrate the quaker ethic it also considers what so called quakeronomics can contribute to contemporary responsible business theory and practice

**Moral Responsibility** 2013-11-27 in the aftermath of the financial crisis and regular corporate scandals there has been a growing concern with the moral and ethical foundations of business often these concerns are limited to narrow accounts of governance codes regulatory procedures or behaviour incentives which are often characterized by neo liberal bias underpinned by western masculine logics this book challenges these limited accounts of ethics and responsibility it looks at the writing of gayatri c spivak who takes globally networked markets people and ideas and provides tools to rethink subjectivity ethics and corporate governance eschewing strict hierarchical notions of authority and identity spivak's work invites us to consider who speaks for whom and for what in organizational contexts relationality is also to be found in the radical politics and feminist ethics of judith butler who continues to draw on and develop her account of performativity to interpret contemporary organizations management and work while popular accounts of corporate ethics often concern themselves with the aims and actions of those at the top of organisations lauren berlant focuses on the struggles of those at the bottom of the new social structures created by contemporary forms of capital finally the book also considers ecological challenges through the work of val plumwood who spent a lifetime considering the threats and responsibilities we face in environmental terms and developed a feminist ecological philosophy for understanding social and species differences this book will be relevant to students and researchers across business and management organizational studies critical management studies gender studies and sociology

**Social Responsibility and the Scientist in Modern Western Society** 1970 this volume is a conceptual analysis of issues in group responsibility an attempt is made to identify factors which affect the degree to which individuals sharing responsibility for what happens bear responsibility for it as well as factors which are erroneously judged to have such an effect an examination of these issues leads to extended discussions of acting or failing to act in the company of others the sequence in which the agents in a group perform acts and group risk taking it is argued that the failure to understand such issues has contributed to a widespread uncertainty in contemporary society as to the moral implications of participating in group actions

**Responsibility of Contemporary Science and Intelligentsia** 1992 the decision to engage in corporate social action csa and the debates regarding its costs benefits and implications to corporate performance represent a demanding issue for scholars and managers research is inconclusive regarding the causal relations between csa corporate social performance csp and corporate financial performance cfp despite numerous empirical and theoretical studies devoted to the issue this book presents an in depth study of corporate social action and the factors influencing a decision to engage in it going beyond the causal relationship between csa and firm performance the book stresses the link between csa and a firm's csa management practices

and practices reflecting the complexity and varied facets of csa and the numerous internal and external factors that influence its outcomes the book draws on the experiences of various industrial sectors to reveal the importance of a range of issues such as top management pay dispersion and ownership structure which may influence the firm s decision to engage in csa it also explores some of the external influences on firms such as institutional norms the geopolitical environment and the industrial sector the first part of the book provides an overview of the thematic issues of csa and performance the second part presents a series of empirical studies that examine factors and determinants of csa the third part presents case studies to illustrate the processes and outcomes of csa policy and strategy in environmentally hazardous industries

**Revisiting Max Weber's Ethic of Responsibility** 2018 this book investigates the many ways in which contemporary african fiction has reflected on themes of responsibility and complicity during the postcolonial period this book will be of interest to researchers of african literature postcolonial studies and peace and conflict studies

**A Philosophical Study of the Criteria for Responsibility Ascriptions** 1990 calling on philosophers as the custodians of rationality to reconsider their responsibility toward their communities and the state of civilization at large this book considers philosophy to be a practical discipline largely foreign to philosophers and non philosophers alike this conception of philosophy discloses the relevance of its unique contributions to contemporary society the book offers a compelling and accessible analysis of philosophy also in relation to religion psychology the new age movement and globalization and exemplifies through a wide range of current problems how philosophers can fulfil their responsibility its argument that responsibility lies where one is capable of doing what is needed and even more so when no one else can do it targets philosophers however its innovative study of contemporary philosophy coupled with its original contributions to the problems at hand will engage academics and students from other disciplines as well as a general readership

*Responsibility to Understand* 2020-05-28 in this book the author examines the stubborn philosophical belief in moral responsibility surveying the philosophical arguments for it but focusing on the system that supports these arguments powerful social and psychological factors that hold the belief in moral responsibility firmly in place publisher s description

Quakers, Business and Corporate Responsibility 2019-01-07 most philosophical explorations of responsibility discuss the topic solely in terms of metaphysics and the free will problem by contrast these essays by leading philosophers view responsibility from a variety of perspectives metaphysics ethics action theory and the philosophy of law

**Morality, Ethics and Responsibility in Organization and Management** 2020 a strong superintendent is critical to the success of an entire school district and this exciting new resource details the issues surrounding the state policies that appoint superintendents *Individuals, Groups, and Shared Moral Responsibility* 1988 offering an alternative outlook on contemporary practical philosophy this highly original book provides a conceptual history of responsibility within philosophy including a critical analysis of the relation between philosophy and its social and political contexts

*Corporate Social Responsibility* 1986
