This book is a comprehensive guide for parents enabling them to answer the many difficult questions that young children ask. It covers many of the subjects that children are curious about from sex relationships and reproduction to religion and death. More than 1000 questions and answers the textbook gives you many examples on how questions and answers in Russian should be formed. It is easy to see the difference between Russian and English using parallel translation. Common questions and answers used in everyday situations are explained simply enough even for beginners. A lot of pictures with vocabulary and some sayings and jokes make it engaging. Despite six cases that make Russian a little difficult for some students, all audio tracks are available on lppbooks.com for free download with over 5000 recently upgraded, reviewed, revised, rewritten, and reorganized questions more than any other exam review.
