Write to Be Read

2023-11-03

write to be read is meant to inspire educators to be designers of engaging curriculum specifically targeting ways to improve the teaching of writing in schools today students tend to write in response to literature whereas the focus of this resource is to help students write material fiction and non fiction that they want to read students often engage in writing that is more about pleasing the teacher or ticking a homework or assignment box this book challenges many assumptions with reference to traditional models for teaching writing a rich assortment of engaging examples are presented in this book to prompt educators to adapt and construct their own meaningful writing units of study

Making Standards Useful in the Classroom

2008

it s true that state standards often have way too much content and aren t written in a way that enhances classroom instruction and formative assessment that s why this guide is invaluable for any educator who wants to ensure that standards actually lead to higher student achievement the authors give you good reasons for why some content standards should be dropped and explain how benchmark statements in standards should be rewritten learn how to sequence content and set up grading scales that help facilitate formative assessment and effective instruction and get clear steps for unpacking and converting standards into guidelines that are much more useful to classroom teachers to implement this book s much more efficient approach the authors included over 240 pages of detailed scoring scales and sample measurement topics for k 8 science math language arts social studies and critical life skills topics for elementary through high school students

Everyday Content-area Writing

2010
