enforcement at the national level and the phenomenon of judicial behaviour more precisely it examines the way civil judges in poland function as eu law judges and the practical problems they encounter while striving to actualise this constitutive role however the book goes beyond the formal law scenario and investigates how polish civil judges establish their own understanding of eu law and the new requirements it has imposed upon them to this end the study employs an empirical that is to say quantitative and qualitative methodology and theory to result in a socio legal study that combines legal and empirical insights into the way national judges function in the context of eu law this is a time when the rule of law is seriously challenged when governments threaten deliberately to break the law and the independence of justice is jeopardised by unrelenting pressure from both the executive and the media this book aims at contributing to restoring trust in judges as custodians of the law and justice through a comparison between civil and common law countries it offers a rare opportunity to gather the expertise of eminent judges and legal authorities from five different countries providing a unique insight into their work and the way they deliver justice based on their respective professional experience and practise of the law far from being a highly technical debate between experts however the book is accessible to students and the general public and raises important contemporary legal issues that involve them both as citizens with justice as a shared aspiration and a common attachment to the rule of law the kenya gazette is an official publication of the government of the republic of kenya it contains notices of new legislation notices required to be published by law or policy as well as other announcements that are published for general public information it is published every week usually on friday with occasional releases of special or supplementary editions within the week greater efficiency in civil dispute resolution is very much dependent on organized but fair fact finding under european law however no clear cut categorisation of means of evidence exists as yet and significantly diverging interpretations persist of what is considered evidence in the sense of the foundational council regulation ec no 1206 2001 eer the eer fails to provide comprehensive rules for many other aspects of evidence taking pointing instead to national legislation for solutions as long as evidentiary rules remain different from country to country there is an inherent risk of conflict of laws between different systems in the course of cooperation between courts in cross border matters leading to mistrust amongst judiciary and other participants in the proceedings focusing on national rules and using a comparative method which takes into consideration legal experiences from all legal circles in the eu this book explains and analyses how the law of evidence works in europe today the authors draw on the vast base of relevant information collected in twenty seven member states by national reporters following the classical enumeration of types of evidence production of documents examination of witnesses expert evidence inspection by the judge and examination of the parties chapters encompass such issues and topics as the following judicial cooperation in cross border cases general principles in evidence taking the right to be heard oral vs written form directness of evidence burden of proof judges case management powers regarding evidence means of evidence extent of influence of traditional principles and evidentiary rules on electronic evidence application of communication technology in cross border proceedings legal costs language inadmissible evidence and instances in which a court can refuse a request for evidence the authors offer well grounded recommendations on requested judge s entitlements direct and convenient communication cost issues revised provisions concerning language obstacles unification of presumptions and much more armed with the wide ranging knowledge presented here practitioners handling civil cases anywhere in europe will derive great practical benefit from this book as a masterful synthesis of how evidence is used in national courts in eu member states and of how that use is changing the book will be greatly valued as a unique resource by legal scholars and academics with featured recommendations it can contribute to the development of mutual trust among the national courts inside the eu as well as trust among policymakers and national courts saudi arabia company laws and regulations handbook strategic information and basic laws the new edition of the report of the european commission for the efficiency of justice cepej which evaluates the functioning of the judicial systems in 46 council of europe s member states remains in line with the process carried out since 2002 relying on a methodology which has already proven itself in order to collect and process a wide number of quantitative and qualitative judicial data this unique study has been conceived above all as a tool for public policy aimed at improving the efficiency and the quality of justice

to have the knowledge in order to be able to understand analyse and reform such is the objective of the cepej which has prepared this report intended for policy makers legal practitioners researchers as well as for those who are interested in the functioning of justice in europe saudi arabia criminal laws regulations and procedures handbook strategic information regulations procedures the kenya gazette is an official publication of the government of the republic of kenya it contains notices of new legislation notices required to be published by law or policy as well as other announcements that are published for general public information it is published every week usually on friday with occasional releases of special or supplementary editions within the week the kenya gazette is an official publication of the government of the republic of kenya it contains notices of new legislation notices required to be published by law or policy as well as other announcements that are published for general public information it is published every week usually on friday with occasional releases of special or supplementary editions within the week
