perfect opener for your christmas program
celebrate the mystery of christ s advent
christmas is here and elinor asheley s entire
family has gathered at their country estate to
celebrate but when her arch nemesis arrives at
the estate by chance warm wishes and the
holiday spirit are the last things on her mind
elinor is determined to protect her family
from him no matter how changed he claims to be
when the winter weather strands hugh sterling
at the estate of the woman who hates him most
in the world his only wish is to escape the
place unscathed he is not the man he once was
and he will do everything he can to prove that
to elinor but nothing can prepare him for the
changes that spending his holiday with her
will bring carol of the merry gentlemen is a
clever pairing of god rest ye merry gentleman
and carol of the bells beginning with an
ethereal echo of carol of the bells the
trumpets present eerie fragmentations of god
rest ye merry gentlemen in cannon and in
hocket with increasing rhythmic complexity and
tension the allegro that results intersperses

one tune on top of the other in turbulent
hockets and canons as well full of surprising
effects such as subito mute changes and
playing into the stand this piece brings new
life to these beloved carols in the days
coming up to christmas richard duke of
gloucester later to be richard iii seeks
shelter in york from a snowstorm that has
blocked the roads into middleham as usual he
stays with the austin friars at the lendal
with their massive library of precious books
normally he would enjoy his visit with the
friars but this time he is worried that he
will not make it home in time for the
christmas feast with his wife anne his small
son edward and his friends francis and nan
lovell he prays for a miracle and soon the
skies begin to clear and the snow melts
anticipating an early start the next morning
before a new storm sweeps in the duke heads to
his bed chamber to get some much needed rest
and then he is rudely woken by loud noise
outside his window someone definitely does not
believe in silent night what must a duke do to
get a bit of peaceful sleep based on an actual
incident in late medieval york a short story
11 000 words long all the joy and excitement
of the yuletide fair increases with the
arrival of the mysterious merryman and his
flying sleigh and reindeer but is merryman
everything he seems when warm hearts become
